In addition to the five main workspace parts, SketchUp uses several different windows, such as the Components window that's open in Figure 1-5. You can open and close them as needed by using the Window menu. With the tools in these windows, you'll apply color and shading to your models, select prebuilt components, add shadows and lighting effects, and organize your project.

SketchUp's menu bar is stocked with the usual suspects, such as File, Edit, Window, and Help. SketchUp's View menu is a little different from the ones in most programs (Figure 1-6). The View menu lets items in the SketchUp window that you can show or hide, including things like drawing guides, axis lines, measurement marks, and even different toolbars. If you're looking for tools that change your view of the drawing window, such as a Zoom or Pan tool, look under the Camera menu.
