

The image shows three young men in a gym setting with artificial green turf. The man on the left is wearing a white Adidas polo shirt and black shorts, performing a box jump onto a black plyometric box. The man in the center is wearing a white long-sleeved shirt and black shorts, in a low crouch ready to start a sprint. The man on the right is wearing a black long-sleeved shirt and red shorts, holding a yellow ball and gesturing. In the background, there are gym equipment like treadmills and a blue wall. A large, bold, red title is centered over the image, and a white subtitle is at the bottom.

The Power of Small Linda Kaplan Thaler, Robin Koval, 2009-04-21 The authors of the national bestseller THE POWER OF NICE once again tackle conventional wisdom with a provocative and counterintuitive book about the importance of sweating the small stuff in our lives and in our careers Our smallest actions and gestures often have outsized impact on our biggest goals say Linda Kaplan Thaler and Robin Koval Did you double check that presentation one last time or hold the elevator for a stranger Going that extra inch whether with a client customer family member or friend speaks volumes to others about our talent personality and motivations After all if we can't take care of the small details how can we be counted on to deliver when it really matters In today's challenging times bigger isn't always better In fact it's often the baby steps that put us on the path to delivering a true competitive advantage The real secret to getting ahead in life and in our careers is to refocus our attention on the small details that if disregarded can sabotage a multimillion dollar ad campaign or undermine your most important relationships Kaplan Thaler and Koval show how to get more of what you want with surprisingly less than you'd imagine Written in the

same entertaining story driven style that made THE POWER OF NICE the go to book for finishing first THE POWER OF SMALL demonstrates how all of us can harness the power of small to improve and reinvent our lives It s the ultimate guide to shrinking your outlook to broaden your horizons Get SMALL and get going Inside Cambodian Insurgency Daniel Bultmann,2016-05-23 There are many different types of power practice directed towards making soldiers obedient and disciplined inside the field of insurgency While some commanders punish by inflicting physical pain others use re educative methods While some prepare soldiers by using close knit combat simulations others send their subordinates immediately into battle While these variations cannot fully be explained by the ideological set up of different groups or by their political orientation the basic assumption of the study is that they nevertheless do not emerge at random This book puts forth that the type of power being utilised depends on the habitus of the respective commander and as a result becomes socially differentiated Furthermore power practices are shaped by the classificatory discourse of commanders and their soldiers on good soldierhood and leadership The study found multiple habitus groups inside the field of insurgency each with a distinctive classificatory discourse and a corresponding power type at work While commanders shaped the dominating power practices such as military trainings indoctrination systems of rewards and punishments etc low ranking soldiers took active part in supporting or undermining power according to their own habitus formation This book helps professionals in this area to understand better the types of power practice inside insurgencies It is also a useful guide to students and academics interested in peace and conflict studies sociology and Southeast Asia **Seventeenth Airborne Division** Bart Hagerman,1999 *Black Belt* ,1997-02 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known marital arts figure in the world *Black Belt* ,1998-01 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known marital arts figure in the world **Running Times** ,2007-10 Running Times magazine explores training from the perspective of top athletes coaches and scientists rates and profiles elite runners and provides stories and commentary reflecting the dedicated runner s worldview **Handbook on U.S.S.R. Military Forces** ,1945 *The Vietnam War* Geoffrey C. Ward,Ken Burns,2017-09-05 NATIONAL BESTSELLER Based on the celebrated PBS television series the complete text of an engrossing history of America s least understood conflict a significant milestone that will no doubt do much to determine how the war is understood for years to come The Washington Post More than forty years have passed since the end of the Vietnam War but its memory continues to loom large

in the national psyche In this intimate history Geoffrey C Ward and Ken Burns have crafted a fresh and insightful account of the long and brutal conflict that reunited Vietnam while dividing the United States as nothing else had since the Civil War From the Gulf of Tonkin and the Tet Offensive to Hamburger Hill and the fall of Saigon Ward and Burns trace the conflict that dogged three American presidents and their advisers But most of the voices that echo from these pages belong to less exalted men and women those who fought in the war as well as those who fought against it both victims and victors willing for the first time to share their memories of Vietnam as it really was A magisterial tour de force The Vietnam War is an engrossing history of America s least understood conflict

US Paratrooper 1941-45 Carl Smith,2012-10-20 In Sicily Normandy and in the frozen hills of the Ardennes America s airborne warriors proved themselves some of the toughest and most determined soldiers of World War 2 What made these soldiers so special How were they recruited how did they learn to jump and fight What special tactics and equipment did they use This title looks at what it was like to be one of the United States airborne elite through the experiences of the soldiers themselves It is the story of the men who invariably led the way the soldiers who flew to battle and walked home
