Forever Young: Photographs of Bob Dylan Douglas R. Gilbert, 2000 **Bob Dylan and the Spheres of Existence**

Christopher B. Barnett, 2023-03-20 Bob Dylan and the Spheres of Existence shows that existential questions lie at the heart of Bob Dylan s songwriting a point that will developed with the help of renowned Danish philosopher S ren Kierkegaard One of the focal points of Kierkegaard s authorship is the journey towards authentic selfhood Famously he thematizes this journey in terms of existential spheres the aesthetic the ethical and the religious Whereas the aesthetic involves a preference for immediacy the ethical has to do with achieving a sense of personal identity by way of living for enduring commitments and values Yet higher than both of these stages is the religious which initially concerns the immanent human quest for eternal life but for Kierkegaard ultimately comes to rest in God s transcendent self revelation in Jesus Christ This book argues that Kierkegaard s theory can help us deepen our understanding of and relation to Dylan s art Just as Kierkegaard presupposes existential movement and transformation so is Dylan celebrated for his shifting personae and philosophical variance But this

is not mere aesthetic dabbling on Dylan's part. On the contrary, his diverse masks and voices encourage his audience to engage the worldview being presented albeit in such a way that religious faith is identified as humanity's source of ultimate meaning.
