about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it *Forever Beautiful* Priya Sachdev,2008 A colourful book covering all aspects of remaining beautiful for ever Lost and Gone Forever Alex Grecian,2016-05-17 The shocking conclusion to the battle between Scotland Yard s Murder Squad and Jack the Ripper from the bestselling author of The Yard and Red Rabbit Many changes have happened to the Murder Squad Rash actions have cost Sergeant Nevil Hammersmith his job and in response he has set up his own private detective agency Inspector Walter Day has been missing for a year and no one knows where he is though there is a strong suspicion that Saucy Jack has him Hammersmith has made finding Day his primary case and he has company a pair of bounty hunters a man and a woman It is only gradually that he has come to realize that they are not what they seem **NKJV, Faithlife Illustrated Study Bible, Hardcover, Red Letter Edition** John D.
