Forming Multicultural Partnerships Church Planting In A Divided Society:

Forming Multicultural Partnerships Andrew R. Hardy, Dan Yarnell, 2015-01-23 Missional Discipleship After Christendom Andrew R. Hardy, Dan Yarnell, 2018-03-14 It is not a changing culture reduced resources or a rescinding Christian memory that creates the greatest challenges for the church in the West It is the lack of a clear commitment to the intentional authentic and contextual expressions of missional disciple making which will shape current and future generations of followers of Jesus to express the values of the Kingdom today This book offers stimulating historical biblical and theological reflections on discipleship and considers some of the possibilities and opportunities afforded to us by our post Christian context Missional discipleship allows the missio Dei to shape us in our engagement our practices and sustain us in the lifelong journey of becoming and developing disciples that follow Jesus today **Christian Mission in a Diverse British Urban Context** Johnson Ambrose Afrane-Twum, 2024-02-01 In the globalized twenty first century there is greater need than ever for intercultural approaches to advancing the gospel in multicultural urban contexts In this book Dr Johnson Ambrose Afrane Twum explores the history of African immigrant churches in the UK Examining the implications of black theology in the context of Britain s multicultural landscape he offers suggestions for how black led churches can partner with white majority churches for greater impact in urban ministry and evangelism Such a partnership he suggests would enable both communities to challenge aspects of their respective cultures and theological approaches recentring both on biblical truth It would also provide a model of Christian mission built on mutual respect and love transforming urban communities through an accessible and unifying gospel **Body and Blood** Andrew R. Hardy, Keith Foster, 2019-06-07 The largest missional challenge facing the church of Christ in the West is to equip every member to engage in missionary endeavor in third places Third places are those social zones in society like coffee shops gyms shopping malls pubs etc that everyone and anyone can meet in as commonly owned spaces The authors argue that for too long the church has not equipped and trained its members to engage in mission in the public square The mobilization of every member to become the hands and feet of the missional sacramental body of Christ to carry the message of God s generous love to not yet Christians is vital if we want to witness the kingdom reign of God extend into their lives Places are important to the sovereign Lord of mission and this book challenges the churches of Christ to become what they properly need to be equipping agencies for every member mission and ministry **Power and the Powers** Andrew R. Hardy, Richard Whitehouse, Dan Yarnell, 2015-10-12 Missio Dei by its very nature requires the church to come to terms with the exercise of power both internally and externally as it confronts the world Tune in to any newscast or glance at the daily newspaper and it immediately becomes clear that the use and abuse of power is a live issue The more we focus on the twists and turns of current events the more it appears that uncorrupted exercise of power eludes the human race All too often we become uneasily aware that there are powers lying behind the power that any of us wields whether it is in the family the classroom on the shop floor in the boardroom or in churches

Effective missional leadership involves creative engagement with the powers at work in the world without being debased by them This book sets out to address the issue of the use and misuse of power from biblical theological and practical perspectives The authors bring their theological pastoral missionary and personal experience to their task in order to inform challenge and invite readers into a responsible use of the powers that God has put into the hands of each one of us to achieve his purposes in the world

Polyphonic God Israel Oluwale Olofinjana, David Wise, Usha Reifsnider, 2025-07-31 In Polyphonic God theologians and practitioners together contend that intercultural churches are significant in multicultural British society and serve to create a counter cultural kingdom narrative demonstrating how we can find unity in the midst of diversity and how this can enrich the lives of everybody involved

Technicolor Mark Hearn, 2017-06-01 By the year 2050 the United States will no longer have a majority ethnic group The nation s population will be majority minority This future nationwide reality has already been a present reality in several cities including many in the urban south for nearly a decade In a 2011 State of the City Address the mayor of pastor and author Mark Hearn s city said there were fifty seven languages spoken at the local high school Hearn left asking himself How should our church respond In the years that have followed a phenomenal transformation has taken place This transition has been chronicled in the Gwinnet Daily Post the Christian Index the Wall Street Journal Lifeway s Facts and Trends and the Atlanta Magazine Now Hearn shares the life changing story through his own lens By reading his firsthand experience of this transition as a pastor you too can be equipped to make the shift to church in technicolor
