Shenk, 2010-08-01 During the past twenty years the phenomenon of church growth especially as it has been known under the dynamic leadership of Donald McGavran and the School of World Mission Fuller Theological Seminary has resulted in an impressive array of books articles reports and theses While freely acknowledging their debut to the church growth school the contributors to this volume wish to explore further the premises principles and goals of church growth Firmly convinced that church growth is more than empirical data and effective methods and that there is nothing approaching a complete book of church growth they aim not simply to offer definitive answers but rather to open up fresh lines of inquiry historical experiential methodological and theological Thus while interacting with previous studies the authors view their work as a constructive contribution to the search for a more adequate understanding of church growth patterns Contributors to this volume include Alfred C Krass Harvie M Conn Orlando E Costas John H Yoder Harry R Boer and C Ren Padilla **Along the Road** John A. Beck, 2018-01-29 Jesus s teaching gains fresh relevance through this fascinating study of Bible stories separated by centuries but related by shared geography In *Along the Road* John Beck delves into the conversations that would naturally occur if you had walked with Jesus along a first century road Journey with Beck as he weaves the Old Testament context of each locale into Jesus s experience there and discover how these easily overlooked geographical and cultural details can enhance your understanding of God s Word **Catalogue of Choral Music Arranged in Biblical Order** James Laster, 2002 The Supplement continues the tradition of the Catalogue in that it is designed as an aid for the church musician and or pastor seeking to plan unified worship services It will also be of use to those church musicians who follow the Liturgical Calendar and plan music appropriate to the appointed lessons as well as a source for non church choir directors who would like to locate choral settings based on a particular passage from Scripture The Supplement emphasizes music published since 1995 or titles that were overlooked in the previous editions Entries are arranged from Genesis through Revelation Each main entry citation provides the biblical reference book chapter and verse as well as a reference to additional passages from Scripture used in the anthem The composer arranger or editor and the title are listed as they appear on the octavo Information on voicing solos and instrumental accompaniment is noted the name of the publisher the most recent date of publication and the octavo number appear at the end of each citation where information on instrumental parts other versions of the same title and collections where the work might appear are also listed Composer and title indexes
