Running with God Berry Simpson, 2009-06 I first started running in the summer of 1978 to win the heart of a girl but instead I found God. He chose running to be one of the places he revealed himself to me. Through my time alone on my feet, the God of my parents and my grandparents became my God. It was on the road and on the trail that my relationship with God became personal. We developed a friendship which grew bigger than church and became deeper than rules of behavior.
