From Darkness into Light Kimberly M Henderson, 2011-10-06 I am not the subject of the book The book is an attempt to reveal the journey from being a sinner to becoming a saint a true authentic child of God God is the focus in all my endeavors Although part of my life is reflected to express this laborious achievement it is not my autobiography but a testimony Have you ever been trapped in a place you did not want to be could not explain where you were or knew where to go This was day to day for me in this life of darkness I did not have answers nor did I know anything else existed I just needed to be free I was trapped in bondage with a void in my life then one day I heard of Jesus Thank God He set me free Giving Him my hand and allowing His light to show me the way I received salvation and BORN new life This was the end and the beginning of my life the end to my life running around on earth doing as I wanted to do not heeding to God's gentle Voice and unction for my life And the beginning to the death process of the life that I knew being strong independent and my own person The price has been paid and we are not saved by our works but casually living through this Christian walk in this dark dark world will not sustain you In this book identify the struggles and trials some will face but know that you are not walking alone Your heavenly Father not only walks along side you but in times of great sorrow He carries you mind body and soul Walk in the light of the Lord and no darkness shall come near you
