Quran - The Final Testament - Authorised English Version Dr. Rashad Khalifa Ph.D.,2010-12-16 Proclaiming One unifying religion for all the people The Book is without a doubt a revelation from the Lord of the Universe The Final Testament comes with built in physical evidence that it is God s message to you it is mathematically composed beyond human capability This proves that God is the Truth and that He revives the dead and that He is Omnipotent Our Salvation in the hereafter lies on upholding The Quran The Quran is God s Final Testament to the world Unlike any other book the Quran is taught by God 55 1 2 He teaches us what we need at the time we need it This is why we read the Quran hundreds of times without getting bored We can read a novel for example only once But the Quran can be read an infinite number of times and we derive new and valuable information from it every time Since the Quran is God s message to all the people regardless of their language the Quran is accessible to the believers regardless of their language 41 44 This explains a profound phenomenon the believers who do not know Arabic know the Quran better than the Arabic speaking unbelievers Because of the invisible forces serving the Quran it is readily and enjoyably accessible to the sincere believers and utterly inaccessible to the unbelievers 17 45 18 57 56 79

Fullest While Richly Giving and the following companion for a deeper study Setting Your Sights on the Intersection 90 Day Devotional Journal About the book series INTERSECTION Where God s Wealth Meets God s Wisdom Imagine yourself at the shooting range aiming at a target To ensure your aim is accurate you look for a calibrated point of reference There are two engraved lines to give you a single place to focus on when aiming at a target The two lines cross at this spot and create what is known as crosshairs Crosshairs are composed of two wires or lines one parallel and the other perpendicular to the horizon The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God s Wealth vertical and God s Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life
