It found some 100 dogs sleeping at the station. Some families there were in a doghouse that would hold a family of 10. It said it is under no time to bring back animals that could cause serious medical issues like rabies and leptospirosis, which can kill people. It offered the services of the shelter to those that could.

11. If the chemical was found outside (e.g. in the stormwater ditch) then was there anything else nearby that could have caused the contamination of the leak?
