

Grade 06 Social Studies Unit 02 Exemplar Lesson 01: Limited Government vs. Unlimited Government

This lesson is one approach to teaching the State Standards associated with this unit. Districts are encouraged to customize this lesson by supplementing with district-approved resources, materials, and activities to best meet the needs of learners. The duration for this lesson is only a recommendation, and districts may modify the time frame to meet students' needs. To better understand how your district may be implementing CSCOPE lessons, please contact your child's teacher. (For your convenience, please find linked the TEA Commissioner's List of [State Board of Education Approved Instructional Resources](#) and [Mickey's State Adopted Instructional Materials](#).)

Lesson Synopsis

Government institutions are common to all cultures. This lesson distinguishes differences between limited governments and unlimited governments through the use of primary sources, a PowerPoint, and a group activity.

TEKS

The Texas Essential Knowledge and Skills (TEKS) listed below are the standards adopted by the State Board of Education, which are required by Texas law. Any standard that has a strike-through (e.g. ~~sample phrase~~) indicates that portion of the standard is taught in a previous or subsequent unit. The TEKS are available on the Texas Education Agency website at <http://www.tea.state.tx.us/index2.aspx?id=6148>.

English Language Arts, Grade 6 Module 2 PCG Education, 2015-12-14 Paths to College and Career Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Big6, Large and in Charge Annette C.H. Nelson, Danielle N. DuPuis, 2013-03-21 This book helps teachers and teacher librarians effectively collaborate to teach students the concept of the Big6 and complete research projects in meaningful and memorable ways. Utilizing the popular and familiar illustrated graphic novel format that appeals to young learners, Big6 Large and in Charge Project Based Information Literacy Lessons for Grades 3-6 is a book of collaborative unit plans for teacher librarians and teachers that includes all the reproducible materials needed to implement the units. The units are based around the Common Core State Standards, AASL Standards for the 21st Century Learner, and other national content standards. Developed by two library media specialists with extensive experience in creating educational and entertaining lesson plans for teachers, the book takes the concept of Big6 a step further by transforming the process into an engaging character who drops in to help students solve the problems. The exercises presented are based on interesting realistic situations and are specifically designed to encourage critical thinking.
