

# THE 5 STEP GUIDE

## HOW TO GET ANYTHING FROM ANYONE

GET A 'YES' FOR THAT PROPOSAL OR IDEA

At the start of anything you want to do, you'll feel inadequate and you'll stumble along making mistakes. Having someone to guide you or assist you can accelerate your growth and change your whole life. There are many people you come into contact with online and in your life, people with influence or resources to help you. You can lose a major opportunity just by the way you initiate the conversation when you meet the person. It is possible to get what you want if you know how to ask for what it is that you want.

I will show you how to stop your current strategy, prepare yourself for encounters, package your presentation and ask for what you want with higher chances of receiving it from the person you are interested in. You can use this to convince them to buy from you, mentor you or help you in any way you want.
