Dead Ascension

Daniel Poirier,2014-04-14 Dominic Emerson heads out to work to find that the city around him has completely changed since the night before A zombie apocalypse has overtaken the nation In the course of one night everything has changed for the worst It is up to Dom and his three brothers to find their friends and

family and bring them to safety As they make their way through the city zombies attack endlessly The boys have armed themselves and they are constantly on guard One bite or scratch means game over They have seen the tragic results Unfortunately the zombies are not their only concern In a world run amok humans have a way of going bad too The Emerson brothers are leaders for good They seek to find safety for themselves and the people they love but there are others with nothing but evil intent Now they must fight zombies and their fellow man as they struggle to stay alive and find a safe haven before they too become victims of the undead Armor ,2001 **SAS Ultimate Guide to Combat** Robert Stirling,2012-04-20 I ve written this book to help you the soldier kill the enemy when you get the chance and most importantly come back home in one piece To achieve this aim I ve covered combat training from boot camp up to the level required of a Special Forces soldier And then gone on to add a few tricks of my own I ve done a bit of soldiering Northern Ireland SAS deployments Bush Wars in Africa life as a merc and been in my fair share of fire fights I ve only been wounded twice and learnt from both occasions I m going to use my experience to teach you to play the game I m not going to teach you how to survive in snowy mountains for a month with only one tea bag or how to kill a room full of people with only a toothpick There are plenty of books that do that already This book will teach you how to fight and survive war in the 21st century from the tools of the trade to avoiding getting shot or blown up from surviving an interrogation to defending a position This is a book not for the faint hearted But then neither is war Concealed Carry Basics- 2017 Illinois Edition Mike Keleher,2017-01-12 Concealed Carry book keyed to Illinois Concealed Carry License classes The book combines learning to live in a heightened state of awareness along with movement in the critical moments leading up to deadly force encounters to increase survivability Chapters cover Action Plans for immediate implementation if a legally concealed firearm carrier finds themselves at the center or periphery of a self defense scenario Chapters also cover topics to include Active Shooters the Reasonableness Standard applied to deadly force Gunfight Aftermath Dealing with Law Enforcement Handgun stopping power Guns Ammunition Holsters and Concealment Clothing for young and old and combat level marksmanship and reloading techniques Pistols Jeff Kinard,2004-11-23 The development of the pistol helped bring the age of the armored knight to an end provided the elite with a status symbol of dangerous glamour and inspired both artisans and industrialists to reach new heights of invention Pistols follows the evolution of personal sidearms in Europe the United States and Asia from medieval era hand cannons with their clunky ignition systems to the revolutionary Colt revolvers of the 19th century to the modern semiautomatic weapons of today Full of fascinating insights and details this work shows how pistols brought about the decline of knights in armor and ultimately replaced the sword on the battlefield The book also explores the pistol s astonishing democratization as it moved from being a luxury item of the nobility to standard issue for soldiers to a mass produced commodity and source of intensive corporate competition Along the way readers meet the many colorful characters often eccentric geniuses who devoted themselves to pistol development *The Complete Illustrated Manual of Handgun*

Skills Robert Campbell,2011 **The Truth About Firearms and Concealed Carry** Daniel R. Engel DE,2014-04-29 Due to so much misinformation throughout America regarding firearms I got tired of seeing innocent people die each and every day at the hands of criminals Ive come to take this poor information and loss of innocent lives in this great country very personally and I decided to put together a book that very thoroughly explains the way firearms and ammunition work and why they do what they do With extensive information I hope to further your knowledge and teach you many things to help save your life one day This book is intended for those with absolutely no experience in firearms and also for those professionals who carry a gun every day for a living It covers certain specific information to help every household in America to become familiar with firearms including the most commonly owned firearms so that nobody will be left owning a gun they cannot or should not use and prevent as many injuries as possible Also it assures that you will learn considerable information and be much more prepared to maintain your life in addition to maintaining FREE America **California.
