Addiction, Representation and the Experimental Novel, 19852015 Heath A. Diehl, 2020-12-15 Since the nineteenth century the Western realistic novel has persistently represented the addict as a morally toxic force bent on destroying the institutions practices and ideologies that historically have connoted reason order civilization Addiction Representation undertakes an investigation into an alternative literary tradition that unsettles this limited portrayal of the addict The book analyzes the practices and politics of reading the experimental addiction novel and outlines both a practice and an ethics of reading that advocates for a more compassionate response to both diegetic and

extra diegetic addicts an approach that at its core is focused on understanding *Book Savvy* Cynthia Lee Katona,2005-05-12 In teaching how to read literature and enjoy it Katona gives 11 good reasons to make reading a part of regular life and includes a list of tried and true page turners with their movie counterparts Teachers of reading students general readers of literature and those just developing an interest in reading will find this guide appealing Addiction Medicine E-Book Bankole Johnson,2019-12-12 Integrating scientific knowledge with today s most effective treatment options *Addiction Medicine Science and Practice* 2nd Edition provides a wealth of information on addictions to substances and behavioral addictions It discusses the concrete research on how the brain and body are affected by addictions improving your understanding of how patients develop addictions and how best to personalize treatment and improve outcomes This essential text is ideal for anyone who deals with patients with addictions in clinical practice including psychiatrists health psychologists pharmacologists social workers drug counselors trainees and general physicians family practitioners Clearly explains the role of brain function in drug taking and other habit forming behaviors and shows how to apply this biobehavioral framework to the delivery of evidence based treatment Provides clinically relevant details on not only traditional sources of addiction such as cocaine opiates and alcohol but also more recently recognized substances of abuse e g steroids inhalants as well as behavioral addictions e g binge eating compulsive gambling hoarding Discusses current behavioral and medical therapies in depth while also addressing social contexts that may affect personalized treatment Contains new information on compliance enhancing interventions cognitive behavioral treatments behavioral management and other psychosocial interventions Includes neurobiological molecular and behavioral theories of addiction and includes a section on epigenetics Contains up to date information throughout including a new definition of status epilepticus a current overview of Lennox Gastaut syndrome and updates on new FDA approved drugs for pediatric neurological disorders Features expanded sections on evidence based treatment options including pharmacotherapy pharmacogenetics and potential vaccines Addresses addiction in regards to specific populations including adolescents geriatric pregnant women and health care professionals Includes contributions from expert international authors making this a truly global reference to addiction medicine Clinical Management of Sex Addiction Patrick J. Carnes,Kenneth M. Adams,2019-11-28 *Clinical Management of Sex Addiction* s newest edition updates many of the original chapters from 28 leaders in the field with new findings and treatment methods in the field of sex addiction With a growing awareness of sex addiction as a problem plus the advent of cybersex compulsion professional clinicians are being confronted with sexual compulsion with little clinical or academic preparation This is the first book distilling the experience of the leaders in this emerging field It additionally provides new chapters on emerging areas of interest including partner counseling trauma and sexual addiction and adolescent sex addiction With a focus on special populations the book creates a current and coherent reference for the therapist who faces quickly escalating new constellations of addictive sexual behavior Readable concise and filled with useful interventions it is a

key text for professionals new to the field and a classic reference for all clinicians who treat sex addiction **Fat Ollie's Book** Ed McBain,2003-11-25 While investigating a councilman s murder with Kling and Carella Fat Ollie s manuscript for a novel he is writing is stolen from a briefcase in his car **Toward a Phenomenology of Addiction: Embodiment, Technology, Transcendence** Frank Schalow,2017-10-11 This book addresses an epidemic that has developed on a global scale and which under the heading of addiction presents a new narrative about the travails of the human predicament The book introduces phenomenological motifs such as desire embodiment and temporality to uncover the existential roots of addiction and develops Martin Heidegger s insights into technology to uncover the challenge of becoming a self within the impulsiveness and depersonalization of our digital age By charting a new path of philosophical inquiry the book allows a pervasive cultural phenomenon ordinarily reserved to psychology to speak as a referendum about the danger which technology poses to us on a daily basis In this regard addiction ceases to be merely a clinical malady and instead becomes a signpost to exposing a hidden danger posed by the assimilation of our culture within a technological framework **Hooked on Growth** Douglas E. Booth,2004-05-03 This accessible and provocative book explores whether getting unhooked from economic growth to meet the needs of the environment is possible Although giving the environment priority over growth may seem radical the author argues that it can be accomplished using marketable emissions allowances transferable development rights and other tools popular with conventional economists It can also be achieved by creating more interesting and environmentally friendly urban landscapes less beholden to the automobile The key problem will be ensuring that everyone who wants employment can find it This will require a transition to a shorter workweek the wistful goal of many a harried worker More leisure a higher quality environment and more attractive cities and towns are the potential rewards of a less consumption oriented society Yet how can the power of special interests be overcome in the name of environmental conservation This is the author s critical final question as he offers a clear path to a sustainable economic and environmental future **Outstanding Books for the College Bound** Angela Carstensen (Ed),Young Adult Library Services Association,2011-05-27 Connecting teens to books they ll truly enjoy is the aim of every young adult librarian and the completely revamped guide Outstanding Books for the College Bound will give teen services staff the leg up they need to make it happen Listing nearly 200 books deemed outstanding for the college bound by the Young Adult Library Services Association YALSA this indispensable resource Examines how the previous lists in the series were developed and explains the book s new layout Features engaging helpful book descriptions useful for readers advisory Offers programming tips and other ideas for ways the lists can be used at schools and public libraries Includes indexes searchable by topic year title and author More than simply a vital collection development tool this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college **Addiction Dilemmas** Jim Orford,2011-09-07 Addiction Dilemmas Professor Orford is one of the most distinguished researchers of addictions today In this book he aims to counter

the neglect and misunderstanding faced by families affected by addiction an estimated one hundred million worldwide and to highlight the personal professional and public policy dilemmas By drawing on personal accounts from fiction autobiography and Professor Orford and his colleagues own international research programme the voices of children wives grandparents and friends spring to life The penetrating and sensitive commentary and thought provoking questions and exercises make this book invaluable for practitioners researchers and family members It demonstrates the many shared experiences of family members across continents and over time whether alcohol drug misuse or gambling is involved Judith Harwin Professor of Social Work Brunel University UK *Addiction Dilemmas* explores the impact of addiction on those closest to the individuals affected their families Many barriers can stand in the way of family members receiving help not least a lack of available services and a failure on the part of professionals and their organisations to fully appreciate the nature of the dilemmas which they face This book is based on a combination of personal interviews from scientific research accounts from biography and autobiography featuring well known names both past and present and excerpts from well informed works of literature The book s core theme is the stress faced by family members when a close relative has an addiction problem and the struggles they experience in deciding how to cope By tracing the same dilemmas through a range of contexts Jim Orford offers unique insights to professionals who deal with people with addictions and their families researchers policy makers and ultimately family members themselves Sources include *The Tenant of Wildfell Hall* by Anne Bront *A Chancer* by James Kelman *Long Day s Journey into Night* by Eugene O Neill and biographies of close relatives of Dylan Thomas and Samuel Taylor Coleridge *Art, Medicine, and Femininity* Hannah Halliwell, 2023-12-15 Paris is the centre of the cult wrote Robert Hichens in *Felix* his 1902 novel on the rising number of morphine addictions in Europe In Paris artists depicted the morphine addict numerous times yet they disregarded the reality of France s addiction problem male medical professionals made up the highest proportion of people who used morphine habitually In oil paintings caricatures and lithographs artists such as Pablo Picasso Eug ne Grasset and Th ophile Steinlen almost always depicted the morphine addict as a deviant female figure Artists sensationalized addiction to elicit shock and stand out in the crowded Parisian art market Their artworks show influences from contemporary medical texts on addiction and artistic depictions of sex workers lesbians and other women deemed socially deviant These images proliferated in French society creating false narratives about who was or could become addicted to drugs and setting a precedent for the visualization of drug addiction Hannah Halliwell links the feminization of addiction to broader anxieties in late nineteenth century France the defeat by Prussia in 1871 concerns about social decadence a declining population and a rising feminist movement *Art Medicine and Femininity* presents a new understanding of the history of addiction and substance use and its intersection with art and gender *Drugs and the Addiction Aesthetic in Nineteenth-Century Literature* Adam Colman, 2019-01-08 This book explores the rise of the aesthetic category of addiction in the nineteenth century a century that saw the development of an established medical sense of drug

addiction Drugs and the Addiction Aesthetic in Nineteenth Century Literature focuses especially on formal invention on the uses of literary patterns for intensified exploratory engagement with unattained possibility resulting from literary intersections with addiction discourse Early chapters consider how Romantics such as Thomas De Quincey created with regard to drug habit an idea of habitual craving that related to self experimenting science and literary exploration later chapters look at Victorians who drew from similar understandings while devising narratives of repetitive investigation The authors considered include De Quincey Percy Shelley Alfred Tennyson Christina Rossetti Charles Dickens Robert Louis Stevenson and Marie Corelli *Women, Children, and Addiction* Loretta Finnegan, Stephen Kandall, 2014-01-02 This proposed book draws on the expertise of 35 experts in the field of Addiction Medicine to provide the reader with a current and comprehensive view of addiction as related to women pregnancy newborns infants and children The volume begins by placing current attitudes towards addicted women in a historical context and continues with contributions on the relationship of gender to substance abuse research addiction as a general health issue in women and ethical dilemmas faced when approaching drug use during pregnancy The volume discusses high risk pregnancies and HIV infection related to maternal drug abuse It details specific pharmacotherapy such as methadone and buprenorphine and assesses society's punitive view toward illicit drug using women Finally the book describes outcomes of newborns infants and children born following intrauterine drug exposure Health providers in many related disciplines specialists in Addiction Medicine social workers and ethicists are among those who will gain insight into the complex interdisciplinary matrix of abuse in women its unique relationship to pregnancy and its impact on drug exposed children This book was published as a special issue in the Journal of Addictive Diseases **The Novel** James A.
