Critiquing Postmodernism in Contemporary Discourses of Race S. Kim,2009-11-23 Critiquing Postmodernism in Contemporary Discourses of Race challenges the critical emphasis on otherness in treatments of race in literary and cultural studies Sue J Kim deftly argues that this treatment not only perpetuates narrow identity politics but obscures the political and economic structures that shape issues of race in literary studies Kim s revelatory book shows how reading authors through their identity ends up neglecting both complex historical contexts and aesthetic forms This comparative study calls for a reconsideration of the bases for critical engagement and a reading ethics that melds the best of historicist and formalist approaches to literature *Munsey's Magazine* ,1923
