Politically Incorrect Guide to Immigration John Zmirak, Al Perrotta, 2018-05-21 America s immigration crisis is out of control Unregulated immigration has led to an increase in crime a loss of working class jobs an inflated welfare state and an elevated amount of terror threats on our home territory The clash of differing emotions facts and opinions reveal that this issue is not simply a nationwide disagreement it is an American crisis In The Politically Incorrect Guide to Immigration authors John Zmirak and Al Perrotta debunk the Left s most deceptive myths on this complex policy issue and reveal the huge implications that lie ahead for our nation s future Zmirak and Perrotta set the record straight on the history of American immigration uncover the principles with which our forefathers migrated to America affirm the respect with which migrants should treat our country if they wish to live here and assert real

solutions to the immigration crisis America faces The Politically Incorrect Guide to Immigration equips readers with real life statistics and information and is packed with targeted arguments to help convince even the staunchest advocates for open borders that America needs to build The Wall You may think you know all about immigration but in The Politically Incorrect Guide to Immigration you ll learn Building The Wall would cost less than half of what we spend to educate illegal immigrants every year Illegal immigration costs American taxpayers 116 billion a year 62% of naturalized immigrants are for the Democrats only 25% are for the Republicans Competition from immigrants costs American worker 450 billion a year The Founders wanted to admit only immigrants who would make a net contribution and assimilate Millions of nineteenth century immigrants who couldn t make it in American went back home The percent of foreign born in the United States today is the highest since World War I and this time we re not doing Americanization After Reagan s 1986 Amnesty the illegal population went from 3 2 million to 11 million Over 700 000 foreign visitors to the United States in 2016 overstayed their visas Eighty percent of Central American women and girls who enter the United States illegally are raped along the way Non citizens are only 9 percent of our population but 27 percent of federal prisoners One hundred forty seven million more people from around the world would like to move to the United States Taxpayer Beware United States. Congress. Senate. Committee on Finance,2001 Letter from the Secretary of the Treasury, Transmitting His Annual Report on the State of the Finances United States. Department of the Treasury,1975 Involuntary Servitude James (JIM) Roediger,2013-02-19 The Authors experience dealing with the IRS and Congress has led him to know that most Americans earn insufficient income to have a tax liability The current taxing system Title 26 United States Code is all based on semantics not fact of law This experience culminated with the IRS placing levies and liens against him and his wife He knew the IRS had no authority to use these penalties and set out on a journey to prove this true This book documents that most people who work in the private sector of the economy do not owe the Federal or State income tax are not subject to levies or liens and have a right to challenge Congress and demand their monies returned The statute of limitations for getting you money back is 3 years What the IRS is doing with Congresss blessing is fraud The author hereby offers Congress and or Treasury the opportunity to rebut the documented facts in this book An open forum in the media preferably the Chris Mathews or Ed Shultz shows on the MSNBC Network would allow the American public the opportunity to hear the truth concerning their taxes I request your help in making this happen by contacting your representative Report of the Secretary of the Treasury on the State of the Finances United States. Department of the Treasury,1975 Handover of Power - Derivation Andreas Seidl,2022-08-25 Problem solving rethought Do you also sometimes worry that you don t know where to start with a solution because of all the problems And do you also wish you had a wealth of proposals from which you could choose the most suitable ones What constructive criticism could bring more clarity This book tells us which problems plague our coexistence today and which solutions can be considered for them how readers can become active themselves with the help of this book series and

participate democratically in political problem solving which path the author has taken to look for causes of problematic effects and at the same time has developed suggestions for improvement After 20 years of work on this book series Andreas Seidl thus ventures a step towards founding a party In doing so he entertains his readers both intellectually and visionarily If this work can give you hope inspire you or move you to action it has fulfilled its purpose Available in German and English
