seeker of the Hidden Light Asai will be the last Warrior and unless he can succeed where all other Warriors have failed to discover the Hidden Light then his people will suffer a thousand years of misery But when Sawako a beautiful young woman challenges him Asai must choose between his heart his people and his destiny I loved this tale It has the feel of a myth or legend about a boy who finds that his destiny is closely entwined with the destiny of a people But rather than repeat a tale we've all read before the author has written something subtly new Honestly I could have read it forever The ending was that perfect combination of sadness and hope SF Crowsnest Review A spellbinding piece of writing set in a Japan that never was that is both well plotted and elegantly paced Strange Horizons A superbly told involving and brilliantly paced short story complete with an ending made more tragic by its inevitability Worth the price of the issue Tangent Online A mini epic about a young boy named Asai and the phoenix that saves him from death while his village is being raided If you love Japanese and Samurai stories this one will give you goose bumps Tangent Online Powerful moving and not quite predictable A Fantasy Book Critic A wonderfully recounted story with an excellent pace and a perfect ending Bibliopolis [The Humming Bird Book 1](#) Isabella And Irena De Wardin,2012 Newly democratized Voskia is off its trolley when an astute sanguinary politician marches for presidency the promises of genocide hangs thick in the air and the heart of resistance beats within a single particular individual Knowledge a powerful weapon shall drag this protagonist Maria into a series of unforgettable adventures Music a cheerful rebellious messenger bringer of sensual magic and madness will be a guide throughout the darkness of a newborn disaster Maria's shadowy wintry life shall be lit by warm melodies recapturing wisps of dreams putting them back into words into music **Herein is Love, Vol. 1: Genesis** Nancy Ganz,2009-10-30 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God's redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary *Birds, Color Illustrations Vol. 1* Various,2016-08-02 IT has become a universal custom to obtain and preserve the likenesses of one's friends Photographs are the most popular form of these likenesses as they give the true exterior outlines and appearance except coloring of the subjects But how much more popular and useful does photography become when it can be used as a means of securing plates from which to print photographs in a regular printing press and what is more astonishing and delightful to produce the real colors of nature as shown in the subject no matter how brilliant or varied We quote from the December number of the Ladies Home Journal An excellent suggestion was recently made by the Department of Agriculture at Washington that the public schools of the country shall have a new holiday to be known as Bird Day Three cities have already adopted the suggestion and it is likely that others will quickly follow Of course Bird Day will differ from its successful predecessor Arbor Day We can plant trees but not birds It is suggested that Bird Day

take the form of bird exhibitions of bird exercises of bird studies any form of entertainment in fact which will bring children closer to their little brethren of the air and in more intelligent sympathy with their life and ways There is a wonderful story in bird life and but few of our children know it Few of our elders do for that matter A whole day of a year can well and profitably be given over to the birds Than such study nothing can be more interesting The cultivation of an intimate acquaintanceship with our feathered friends is a source of genuine pleasure We are under greater obligations to the birds than we dream of Without them the world would be more barren than we imagine Consequently we have some duties which we owe them What these duties are only a few of us know or have ever taken the trouble to find out Our children should not be allowed to grow to maturity without this knowledge The more they know of the birds the better men and women they will be We can hardly encourage such studies too much Of all animated nature birds are the most beautiful in coloring most graceful in form and action swiftest in motion and most perfect emblems of freedom They are withal very intelligent and have many remarkable traits so that their habits and characteristics make a delightful study for all lovers of nature In view of the facts we feel that we are doing a useful work for the young and one that will be appreciated by progressive parents in placing within the easy possession of children in the homes these beautiful photographs of birds The text is prepared with the view of giving the children as clear an idea as possible of haunts habits characteristics and such other information as will lead them to love the birds and delight in their study and acquaintance The Secret Doctrine (Vol. 1-3) Helena Blavatsky,2023-12-03 Helena Blavatsky s monumental work The Secret Doctrine Volumes 1 3 serves as an intricate tapestry weaving together elements of theology philosophy and science integrating esoteric traditions with a profound exploration of the cosmos and human evolution Written in a dense yet poetic literary style the text is structured around the dual doctrines of the universal and the individual rooted deeply in theosophical thought Blavatsky draws upon a wide array of religious and philosophical sources including Eastern and Western esotericism to expound upon the idea of a hidden knowledge that transcends the physical realm presenting her insights as both a critique of materialism and an invitation to spiritual awakening Helena Blavatsky a seminal figure in the Theosophical Society was profoundly influenced by her travels to India and her studies of ancient wisdom traditions Her quest for universal truths led her to challenge prevailing scientific and religious dogmas of the 19th century positioning her as a pioneer of modern spirituality and a bridge between Eastern spirituality and Western thought The Secret Doctrine is a must read for anyone intrigued by metaphysics spirituality and the quest for knowledge that transcends conventional wisdom Blavatsky s comprehensive examination of the world s mystical traditions invites readers to explore the depths of their own consciousness and the interconnectedness of all existence **180 Masterpieces of World Literature (Vol.1)** Jules Verne,Lewis Carroll,Sigmund Freud,Charles Dickens,Plato,Mark Twain,Walt Whitman,Oscar Wilde,Edgar Allan Poe,William Shakespeare,Charlotte Brontë,Anne Brontë,Emily Brontë,Henry David Thoreau,Henry James,Louisa May Alcott,Victor Hugo,Frances Hodgson Burnett,Jane Austen,Herman Melville,James Allen,George
