

The background is a painting of a misty autumn forest. In the foreground, a path covered in fallen yellow and orange leaves leads into the distance. Several trees with vibrant autumn foliage in shades of yellow, orange, and red line the path. The ground is wet, reflecting the colors of the trees and the sky. In the far distance, a small, dark silhouette of a person is visible on the path. The overall atmosphere is serene and quiet.

Communication

Images in Derek Walcott's Poetry Sadia Gill, 2017-03 This book investigates the potential purpose of recurrent communication images in the poetry of Derek Walcott The recipient of the Nobel Prize for literature in 1992 Walcott is one of the most important postcolonial poets of the 20th century His poetry delves into the dynamics of Caribbean marginalization and seeks to safeguard the paradigms characteristic of his island home Several major studies have examined themes in his poetry but the images of communication in his poetics have not been explored This book examines Walcott's poetry expressions that the poet brings into play in order to demonstrate the relevance of the Caribbean in the contemporary world firstly through a study of communication imagery and secondly through an examination of the conclusions he reaches through these means The quantitative chart demonstrates that Walcott is especially reliant upon images of communication from the 1980s Extensive textual analysis indicates that the place and contextual meaning of communication imagery for example page mirrors the historical plight of the Caribbean region likewise line expresses an identity deficit Finally this book validates that Walcott's extensive use of communication imagery in his poetry contributes to a fluid notion of self that embraces multiculturalism while maintaining the imaginary intact

Rebecca Bell, C. Sherman Severin, 1981 **The Image of the Feminine in the Poetry of W.B. Yeats and Angelos Sikelianos** Anastasia Psoni, 2018-12-19 Modernism as a powerful movement saw the literary and artistic traditions as well as pure science starting to evolve radically creating a crisis even chaos in culture and society Within this chaos myth offered an ordered picture of that world employing symbolic and poetic images Both W B Yeats and Angelos Sikelianos embraced myth and symbols because they liberate imagination and raise human consciousness bringing together humans and the cosmos Being opposed to the rigidity of scientific materialism that inhibits spiritual development the two poets were waiting for a new age and a new religion expecting that they themselves would inspire their community and usher in the change In their longing for a new age archaeology was a magnetic field for Yeats and Sikelianos as it was for many writers and thinkers After Sir Arthur Evans s discovery of the Minoan Civilization where women appeared so peacefully prominent the dream of re creating a gynocentric mythology was no longer a fantasy In Yeats s and Sikelianos s gynocentric mythology the feminine figure appears in various forms and like in a drama it plays different roles Significantly a gynocentric mythology permeates the work of the two poets and this mythology is of pivotal importance in their poetry their poetics and even in their life as the intensity of their creative desire brought to them female personalities to inspire and guide them Indeed in Yeats s and Sikelianos s gynocentric mythology the image of the feminine holds a place within a historical context taking the reader into a larger social political and religious space *Images of America in Scandinavia* Poul Houe, Sven Hakon Rossel, 1998 The subject of Images of America in Scandinavia the first comprehensive study of its kind is as multifaceted complex and overwhelming as America or the United States itself It concerns the nature and function reality and fiction of such images in

More Words about Pictures Perry Nodelman,Naomi Hamer,Mavis Reimer,2017-05-08 This volume represents the current state of research on picture books and other adjacent hybrid forms of visual verbal texts such as comics graphic novels and book apps with a particular focus on texts produced for and about young people When Perry Nodelman s Words about Pictures the Narrative Art of Children s Picture Books was published almost three decades ago it was greeted as an important contribution to studies in children s picture books and illustration internationally and based substantially on it Nodelman has recently been named the 2015 recipient of the International Grimm Award for children s literature criticism In the years since Words About Pictures appeared scholars have built on Nodelman s groundbreaking text and have developed a range of other approaches both to picture books and to newer forms of visual verbal texts that have entered the marketplace and become popular with young people The essays in this book offer more words about established and emerging forms of picture books providing an overview of the current state of studies in visual verbal texts and gathering in one place the work being produced at various locations and across disciplines Essays exploring areas such as semiological and structural aspects of conventional picture books graphic narratives and new media forms and the material and performative cultures of picture books represent current work not only from literary studies but also media studies art history ecology Middle Eastern Studies library and information studies and educational research In addition to work by international scholars including William Moebius Erica Hateley Nathalie op de Beeck and Nina Christensen that carries on and challenges the conclusions of Words about Pictures the collection also includes a wide ranging reflection by Perry Nodelman on continuities and changes in the current interdisciplinary field of study of visual verbal texts for young readers Providing a look back over the history of picture books and the development of picture book scholarship More Words About Pictures also offers an overview of our current understanding of these intriguing texts **New Paths, Verse, Prose, Pictures, 1917-1918** Michael Sadleir,Cyril William Beaumont,1918 Poetry-Painting Affinity as Intersemiotic Translation Chengzhi Jiang,2020-04-16 This book interprets the close intimacy between poetry and painting from the perspective of intersemiotic translation by providing a

systematic examination of the bilingual and visual representation of landscape in the poetry of Wang Wei a high Tang poet who won worldwide reputation The author s subtle analysis ranges from epistemological issues of language philosophy and poetry translation to the very depths where the later Heidegger and Tao oriented Chinese wisdom can co work to reveal their ontological inter rootedness through a two level cognitive stylistic research methodology Producing Children Peter C. Kunze, Victoria Ford Smith, 2025-04-15 Producing Children imagines the possibility indeed the inevitability of a creative relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children s culture as culture by adults for children about children They also underscore children s literature as a cultural phenomenon that moves across and beyond genres forms and media As a whole this collection reveals that attention to child produced culture invites dialogue and collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting opportunity to complicate enrich and expand theorization of childhood creativity children s culture and even children themselves
