In Bed Mirages:

Mirages Anaïs Nin, 2013-10-15 *Mirages* opens at the dawn of World War II when Anaïs Nin fled Paris where she lived for fifteen years with her husband banker Hugh Guiler and ends in 1947 when she meets the man who would be the One the lover who would satisfy her insatiable hunger for connection In the middle looms a period Nin describes as hell during which she experiences a kind of erotic madness a delirium that fuels her search for love As a child suffering abandonment by her father Anaïs wrote Close your eyes to the ugly things and against a horrifying backdrop of war and death Nin combats the world's darkness with her own search for light *Mirages* collects for the first time the story that was cut from all of Nin's other published diaries particularly volumes 3 and 4 of *The Diary of Anaïs Nin* which cover the same time period It is the long awaited successor to the previous unexpurgated diaries *Henry and June* *Incest* *Fire and Nearer the Moon* *Mirages* answers the questions Nin readers have been asking for decades What led to the demise of Nin's love affair with Henry Miller Just how troubled was her marriage to Hugh Guiler What is the story behind Nin's children the effeminate young men she seemed to collect at will *Mirages* is a deeply personal story of heartbreak despair desperation carnage and deep mourning but it is also one of courage persistence evolution and redemption that reaches beyond the personal to the universal **Mirage**

, 2014-01-15 The young son of the head of the Chinese traders association the men licensed to deal with foreign merchants in the port of Guangzhou is suddenly burdened with responsibility for his powerful family upon his father's sudden death A latterday Baoyu but with far stronger sexual impulses the son learns both to tame his own libido to some degree and to conduct himself prudently in the Guangzhou society of his time All of this appears in a comparatively littleknown and littlestudied novel called *Shenlou zhi* which is here translated for the first time The novel was actually first published in 1804 several decades before opium became a factor in the China trade It is not only by far the earliest novel to deal with that trade but also one of the earliest accounts of it Furthermore it has been found to be closely connected to events that occurred in Guangzhou and Huizhou in the years just before the time of its publication the arrival of a new Superintendent of Customs in Guangzhou and the outbreak of rebellion in Huizhou This strikingly original work develops the culture of adolescence that was first described in *Honglou meng* and also relishes in its account of the rebellion the romantic conventions of *Shuihu zhuan*

The Mirage Naguib Mahfouz,2012-02-14 A stunning example of Nobel Prize winning Egyptian author Naguib Mahfouz s psychological portraiture The Mirage is the story of an intense young man who has been so dominated by his mother that her death sets him dangerously adrift in a world he cannot manage alone Kamil Ru ba is a tortured soul who hopes that writing the story of his life will help him gain control of it Raised by a mother who fled her abusive husband and became overbearingly possessive and protective toward her young son he has long been isolated emotionally and physically Now in his twenties Kamil seeks to escape her posthumous grasp Finding and successfully courting the woman of his dreams seems to promise salvation until his ignorance of mature love and his fear and jealousy lead to tragedy

The Mirage 2009, 心理研究 第一顺序 带有微妙弗洛伊德风味 The Mirage is the autobiographical account of Kamil Ru ba a tortured soul who finds himself struggling unduly to cope with life s challenges The internal torment and angst that dog him throughout his life and the tragic ironic turns of events that overtake him as a young man are to a great extent the outworkings of his faulty upbringing At the same time they work together to drive home the novel s underlying theme the illusory undependable nature of the world in which we live and the call to seek beyond the outward and the ephemeral that which is inward and enduring The narrative full of pathos draws the reader unwittingly into a vicarious experience of Kamil s agonies and ecstasies As such it is a specimen of Mahfouz s prose at its finest
