**Minjie Lin**

## **In Search Of Pre Exilic Israel Paperback:**

In Search of Pre-Exilic Israel John Day, 2005-04-01 In recent years there has been a tendency among certain scholars to claim that little can be known about pre exilic Israel because the Old Testament was only compiled in the post exilic period for example Philip Davies Thomas Thompson Neils Peter Lemche One scholar Lemche has even claimed that the Old Testament is a Hellenistic work The purpose of this book is to argue that this is an extreme and untenable position and that though much of the Old Testament was indeed edited in the exilic or post exilic period many of the underlying sources used go back to the pre exilic period When critically analyzed these sources can shed much light on the pre exilic period This important work is the product of a team of seventeen international scholars no fewer than five of whom are Fellows of the British Academy None of the chapters has previously been published **In Search of Pre-exilic Israel** John Day, 2004

The Origins of Isaiah 24-27 Christopher B. Hays, 2019-06-27 Situates a hotly contested section of Isaiah within its historical and cultural contexts correcting misunderstandings of older scholarship **Between Myth & Mandate** Michael Nathanson, 2013-10-22 From the preface The intent of this work is to inquire whether 1 the events recounted in the Bibles narratives collectively herein referred to as master narrative are based in any Ancient Near Eastern historical reality 2 the authors of the Bibles master narrative and its readers including the founders and citizens of the state of Israel can claim that reality as their own 3 the Bibles pseudohistorical master narrative disguises the geopolitical agenda of its authors in an apocalyptic eschatological and theological cloak From the Interval Synthesis The importance of the Bibles narratives lies in the clues they hold regarding who their authors were and when they wrote them The answer to why they took upon themselves to write these narratives require postbiblical contextualization that will bestow on them the meaning they deserve What follows in the remaining chapters provides this context From the Concluding Synthesis Absent corroborative evidence not in the least competing contemporaneous or earlier secular prose narratives the origins ethnicity and culture of the Israelites and their actions prior to the establishment of the Omride monarchy as depicted in the master narrative is fictive The time before present of the Jews in Syro Palestine cannot be traced as far back as the glorious and heroic Davidic and Solomonic monarchic period of the Bible Rather the historically verifiable albeit less glamorous late Persian Greco Roman postbiblical period is the terminus a quo of Jewish history **Be Wise, My Son, and Make My Heart Glad** Christopher B. Ansberry, 2011 In view of the various proposals concerning the nature and function of the book of Proverbs the present study focuses on the social dimensions of the document within its distinct literary context That is the study examines the nature and function of the sapiential material within its new performance context viz the discursive context the Sitz im Buch In the main the investigation explores the discourse setting of the book of Proverbs as well as the formal and thematic features of the individual collections More specifically the study highlights the fundamental features of the **The Book of Genesis** Craig A. Evans, Joel N. Lohr, David L. Petersen, 2012-03-20 Written by leading experts in the field The Book

of Genesis Composition Reception and Interpretation offers a wide ranging treatment of the main aspects of Genesis study Its twenty nine essays fall under four main sections The first section contains studies of a more general nature including the history of Genesis in critical study Genesis in literary and historical study as well as the function of Genesis in the Pentateuch In the second portion scholars present commentary on or interpretation of specific passages or sections of Genesis as well as essays on its formation genres and themes The third part includes essays on the textual history and reception of Genesis in Judaism Christianity and Islam The final section explores the theologies of the book of Genesis including essays on Genesis and ecology and Genesis in the context of Jewish thought

**Biblical History and Israel's Past** Megan Bishop Moore,Brad E. Kelle,2011-05-17 Although scholars have for centuries primarily been interested in using the study of ancient Israel to explain illuminate and clarify the biblical story Megan Bishop Moore and Brad E Kelle describe how scholars today seek more and more to tell the story of the past on its own terms drawing from both biblical and extrabiblical sources to illuminate ancient Israel and its neighbors without privileging the biblical perspective Biblical History and Israel s Past provides a comprehensive survey of how study of the Old Testament and the history of Israel has changed since the middle of the twentieth century Moore and Kelle discuss significant trends in scholarship trace the development of ideas since the 1970s and summarize major scholars viewpoints issues and developments

*Scribes as Sages and Prophets* Jutta Krispenz,2020-11-09 Scholars of the Hebrew Bible used to look at Prophecy and Wisdom as clearly distinct realms represented by antagonistic and mutually exclusive roles of their central characters the loyal sage the pillar of administration on the one side and the rebellious prophet criticizing the establishment on the other While the influence of wisdom thought on prophetic texts has been a topic in the scholarly debate the complementary question of the influence of prophetic thought on wisdom texts has rarely been asked The contributions in this volume look at both questions They start from the assumption that texts from the Hebrew Bible and the cultures surrounding Ancient Israel all originated from a social stratum of educated scribes who authored and transmitted these texts It then seems plausible that wisdom texts might show similar traces of prophetic influence to those of wisdom thoughts found in prophetic texts The essays give a multifaceted picture concerning the mutual perception of prophets and sages and thus provide a deeper understanding of both wisdom literature and prophecy

**Reading the Poetry of First Isaiah** J. Blake Couey,2015-09-03 Reading the Poetry of First Isaiah provides a literary and historical study of the prophetic poetry of First Isaiah an underappreciated but highly sophisticated collection of poems in the Hebrew Bible Informed by recent developments in biblical studies and broader trends in the study of poetry Dr J Blake Couey articulates a fresh account of Biblical Hebrew poetry and argues that careful attention to poetic style is crucial for the interpretation of these texts Discussing lineation he explains that lines serve important rhetorical functions in First Isaiah but the absence of lineated manuscripts from antiquity makes it necessary to defend proposed line divisions using criteria such as parallelism rhythm and syntax He examines poetic structure and highlights that parallelism and

enjambment create a sense of progression between individual lines which are tightly joined to form couplets triplets quatrains and occasionally even longer groups Later Dr Couey treats imagery and metaphor in First Isaiah A striking variety of images most notably agricultural and animal imagery appear in diverse contexts in these poems often with rich figurative significance

**Genre and Openness in Proverbs 10:1-22:16** Suzanna R. Millar,2020-04-10 A fruitful reading strategy that reveals expansive meaning in Proverbs Interpreters often characterize Proverbs 10 1 22 16 as a dead end of cold disengaged dogma closed off from the realities of the world In Genre and Openness in Proverbs 10 1 22 16 Suzanna R Millar takes a different view arguing that the didactic proverbs in these chapters are not dull and dry but are filled with poetic complexities open to many possible interpretations and uses By incorporating paremiology the technical study of the proverb genre Millar sheds light on important debates such as character development kingship the connection between act and consequence and the acquisition of wisdom Features A clarification of the genre of the sayings in light of modern genre theory A linguistic analysis of how openness is generated in biblical proverbs An examination of the didactic use of proverbs to train the hearer s mind

*God and Earthly Power* J. G. McConville,2008-09-30 Compares perspectives from critical methodologies in Old Testament study with perspectives from the history of interpretation of key Old Testament political texts

**The Formation of the Hebrew Bible** David M. Carr,2011-10-12 David Carr rethinks both the methods and historical orientation points for research into the growth of the Hebrew Bible into its present form

**Dictionary of the Old Testament: Wisdom, Poetry & Writings** Tremper Longman III,Peter Enns,2008-06-06 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther

**Cushites in the Hebrew Bible** Kevin Burrell,2020-01-13 Cushites in the Hebrew Bible offers a reassessment of Cushite ethnographic representations in the biblical literature as a counterpoint to misconceptions about Africa and people of African descent which are largely a feature of the modern age Whereas current interpretations have tended to emphasize unfavourable portraits of the people biblical writers called Cushites Kevin Burrell illuminates the biblical perspective through a comparative assessment of ancient and modern forms of identity construction Past and present modes of defining difference betray both similarities and differences to ethnic representations in the Hebrew Bible providing important contexts for understanding the biblical view This book contributes to a clearer understanding of the theological historical and ethnic dynamics underpinning representations of Cushites in the Hebrew Bible

*Themelios, Volume 33, Issue 1* D. A. Carson,2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors

**'Wisdom' and Its Influence** Katharine J. Dell, 2020-09-04 Solomon is the figurehead who holds the family of wisdom texts together In this study Katharine Dell argues that a core of Proverbs and Ecclesiastes forms the inner sanctum of the Solomonic wisdom corpus with the Song of Songs as a close relative but Job at one remove Proverbs Ecclesiastes and the Song contain attributions to Solomon and demonstrate key wisdom connections Solomon is also portrayed as an idealized character in the narratives about him in 2 Sam 24 1 Kings 11 He is the embodiment of wisdom thus linking both the narrative portrayal and canonical memory of his significance His connections with Egypt and Sheba shed light on how Solomon gained his reputation for wisdom as do the roles in his court for scribes sages and seers Formative wisdom themes notably that of God as creator characterize the book of Proverbs and also influenced certain wisdom psalms and the prophets Isaiah and Jeremiah texts which share links to wisdom ideas and contexts For these prophets criticism of the wise is a key concern Dell introduces an intertextual method to open up fresh possibilities of ranging together different texts alongside the Solomonic corpus without the constraints of probing literary or historical linkages Ruth is considered with Proverbs Genesis 1 11 with Ecclesiastes and the wider theme of gardens and water in the Hebrew Bible with the Song of Songs While Solomon probably had very little to do with such readerly text play Dell's argument in *The Solomonic Corpus of Wisdom and Its Influence* is that he is the lynch pin that holds wisdom in its core texts and wider family together      *The Theology of the Book of Amos* John Barton, 2012-04-30 In modern times Amos has come to be considered one of the most important prophets mainly for his uncompromising message about social justice This book provides a detailed exploration of this theme and other important elements of the theology underlying the book of Amos It also includes chapters on the text itself providing a critical assessment of how the book came to be the original message of Amos and his circle which parts of the book may have been added by later scribes and the finished form of the book The author also considers the book's reception in ancient and modern times by interpreters as varied as rabbis the Church Fathers the Reformers and liberation theologians Throughout the focus is on how to read the book of Amos holistically to understand the organic development of the prophet's message

through the many stages of the book's development and interpretation     Hearing the Old Testament Craig G. Bartholomew, David J. H. Beldman, 2012-05-02 In *Hearing the Old Testament* world class scholars discuss how contemporary Christians can better hear and appropriate God's address in the Old Testament This volume is part of a growing interest in theological interpretation of the Old Testament Editors Craig G Bartholomew and David J H Beldman offer a coherent and carefully planned volume a truly dialogical collaboration full of up to date research and innovative ideas While sharing a desire to integrate their Old Testament scholarship with their love for God and thus a commitment to listening for God's voice within the text the contributors display a variety of methods and interpretations as they apply a Trinitarian hermeneutic to the text The breadth expertise and care evidenced here make this book an ideal choice for upper level undergraduate and seminary courses Contributors Craig G Bartholomew David J H Beldman Mark J Boda M Daniel Carroll R Stephen G Dempster Tremper Longman III J Clinton McCann Jr Iain Provan Richard Schultz Aubrey Spears Heath Thomas Gordon J Wenham Al Wolters Christopher J H Wright     **Israel's Prophets and Israel's Past** John Haralson Hayes, 2006-11-01 A festschrift for John Hayes that highlights the intersection between the prophetic texts and Israelite historiography

*Israel's Day of Light and Joy* Jon D. Levenson, 2024-06-25 This book begins by exploring the mysterious origins of an institution so familiar that most of us never wonder where it came from the seven day week Jon D Levenson then focuses on the historical development of the Jewish Sabbath and the rich range of theological and ethical meanings it has acquired over the centuries Levenson evaluates the theory that the Hebrew word *shabbat* derives from Akkadian and that the Sabbath may have begun as a day of ill omen only later to be reinterpreted as the joyous festival that consummates the seven day week He explores the quasi magical character of the number seven in ancient Near Eastern and Mediterranean compositions and examines the revealing variation of the Sabbath commandment between the two biblical versions of the Decalogue in Exodus and Deuteronomy He also treats sabbatical law in the Second Temple and rabbinic periods critiquing contemporary efforts to extract a spirituality from the Sabbath that is divorced from larger questions of communal identity normative practice and religious affirmation Levenson concludes by discussing modern challenges to Sabbath observance and the surprising prospects for its continuation Written by an eminent scholar in the field this sophisticated inquiry bridges the gap between studies that explore the spiritual meaning of Jewish Sabbath observance and those that focus strictly on the history of the tradition It will appeal to a wide audience of academics and lay readers
