[1905 ,1887      The Writings Against the Manichaeans and Against the Donatists: Part I - The Manichaeans Revised Aurelius Augustine,2018-07-09

Before converting to Christianity Augustine was at one time a member of a group called the Manichaeans and this collection of works are his attempt to

combat the growing threat that this religion caused to the rise and growth of the Christian church The Manichaeans were a dualistic society that focused on the goodness of the spirit and the evil of the material While basing their belief structure of Mesopotamian Gnosticism it is hard to say for certain that they were Gnostic themselves Augustine shows sound arguments to counter the beliefs he reveals in this collection of writings even going so far as to have a verbal parley back and forth with a leading member of the religious movement Fortunatus Now in larger print Nicene and Post-Nicene Fathers First Series, St. Augustine Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices *From Missionary To Mercenary* Alvin L.
