Teaching and Learning English in the Primary School Gila A. Schauer, 2019-10-11 This book is the first comprehensive investigation of interlanguage pragmatic issues in a primary school context that is based on both primary school teachers statements on their own teaching realities views and preferences and a thorough investigation of materials used by teachers and recommended by teacher educators in the state the primary schools are located in It offers a contrastive analysis of primary school learners acquiring English in a typical English as a foreign language school context and their age peers in the same state that are exposed to English in a school immersion context This book will be of interest to scholars researchers educators in higher education that focus on English language teaching second language acquisition and applied linguistics It is also intended for students who are planning to become primary school teachers of English as a foreign language

English in Non-English-Speaking Countries Marjana G. Vaneva, 2022-04-13 Living in a modern world and being surrounded by the newest advances in technology today's English language teachers see the process of learning English as completely different compared to when they learnt it themselves In addition linguists today proudly witness the different usage of the language that portrays the playful nature of English supported by its creative speakers and users This book presents a collection of English language teachers practices and challenges of teaching English to their non native English students in which they portray their perceptions of the teaching learning process These experiences will provide the reader with a perspective on what contemporary teaching of this language in a non English speaking country looks like As such this collection will serve as a guidebook for new scholars in the field
