drive Sustainability may probably be the fastest growing idea in the global textile industry. It benefits everybody involved in the supply chain be it the consumers, manufacturers, retailers or related service providers. Firms profit from sustainable actions by enhancing their goodwill in the eyes of their potential buyers while consumers profit by availing quality products at affordable rates. Sustainability Plus in brief is Fibre2Fashion's efforts to further boost this already growing concept in the global textile apparel and fashion industry. Through the medium of this book we have tried to disseminate as much information as possible with respect to sustainability in the industry. Social, economical and environmental aspects of sustainability have been given due attention in the book. Fibre2Fashion as an organization may only have limited views. Realizing this fact we have incorporated views and opinions on various issues from experts all over the world. Various topics have been dealt with in the form of articles, interviews, features and company profiles. **CIM Coursebook 06/07**
