

Market Research Brief

Here is a list of headings to include, and questions to consider, when writing a research brief:

Background

- What has happened to make the brief necessary?
- How does this piece of work fit in with other potential initiatives within the organisation?
- What has already been done?
- What do you already know/not know?

Business objectives

- Describe your business objectives, for example, in terms of sales and profitability, market share, growth in customer base

Project objectives

- What is the purpose of/expected outcome from conducting this piece of work (eg to answer particular questions, focus new product development)?
- What decisions will be made on the basis of the work undertaken?

Stakeholders

- Who are the key stakeholders; what interest do they have in this project and how might they want to be involved?

Research objectives

- What are your over-arching research objectives and what specific information should be provided or knowledge gaps addressed?

Guidelines

Envisaged methodology

- Provide guidance on the nature of work that should or should not be undertaken?
- What are the priorities?
