Maurine And Other Poems:

Maurine Ella Wheeler Wilcox, 2024-06-06 Reprint of the original first published in 1876 Maurine and Other Poems:
Poems Ella Wheeler Wilcox, 2019-01-10 Ella Wheeler Wilcox November 5 1850 October 30 1919 was an American author and poet Her works include *Poems of Passion and Solitude* which contains the lines Laugh and the world laughs with you weep and you weep alone Her autobiography *The Worlds and I* was published in 1918 a year before her death Ella Wheeler was born in 1850 on a farm in Johnstown Wisconsin east of Janesville the youngest of four children The family later moved north of Madison after losing its wealth as the result of her father's failed business aspirations and speculation Wilcox's family held themselves to be intellectuals and a mastery of the nuances of the English language was prized During her childhood Wilcox amused herself by reading books and newspapers which may have influenced her later writing most notably William Shakespeare *The Arabian Nights* John Gilpin's *Ride* and *Gulliver's Travels* in addition to the few other pieces of literature that were to be had in her home Around the age of 8 Wilcox turned to writing poetry as an outlet When she was 13 years old her first poem was published After losing her subscription to *The New York Mercury* and being unable to afford to resubscribe Wilcox figured that if she could get a piece of literature published she would at least receive a copy of the paper wherein her piece was printed The piece that she submitted is lost to time and Wilcox herself later admitted that she couldn't recall even the topic Wilcox became known as a poet in her own state by the time she graduated from high school Her poem *The Way of the World* was first published in the February 25 1883 issue of *The New York Sun* The inspiration for the poem came as she was travelling to attend the Governor's inaugural ball in Madison Wisconsin On her way to the celebration there was a young woman dressed in black sitting across the aisle from her The woman was crying Miss Wheeler sat next to her and sought to comfort her for the rest of the journey When they arrived the poet was so depressed that she could barely attend the scheduled festivities As she looked at her own radiant face in the mirror she suddenly recalled the sorrowful widow It was at that moment that she wrote the opening lines of *Solitude* Laugh and the world laughs with you Weep and you weep alone For the sad old earth must borrow its mirth But has trouble enough of its own She sent the poem to the *Sun* and received 5 for her effort It was collected in the book *Poems of Passion* shortly after in May 1883 In 1884 she married Robert Wilcox of Meriden Connecticut where the couple lived before moving to New York City and then to Granite Bay in the Short Beach section of Branford Connecticut The two homes they built on Long Island Sound along with several cottages became known as Bungalow Court and they would hold gatherings there of literary and artistic friends They had one child a son who died shortly after birth Not long after their marriage they both became interested in theosophy new thought and spiritualism Early in their married life Robert and Ella Wheeler Wilcox promised each other that whoever went first through death would return and communicate with the other Robert Wilcox died in 1916 after over thirty years of marriage She was overcome with grief which became ever more intense as week after week went without any message from him It was at this time that

she went to California to see the Rosicrucian astrologer Max Heindel still seeking help in her sorrow still unable to understand why she had no word from her Robert She wrote of this meeting In talking with Max Heindel the leader of the Rosicrucian Philosophy in California he made very clear to me the effect of intense grief Mr Heindel assured me that I would come in touch with the spirit of my husband when I learned to control my sorrow *Maurine* Ella Wheeler Wilcox,2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification *Maurine And Other Poems* reprint Ella Wheeler Wilcox W B Conkey 1888 *Maurine, and Other Poems* Ella Wheeler Wilcox,1888 **Maurine and Other Poems** Ella Wheeler Wilcox,2019-09-13 **MAURINE** Ella Wheeler 1850-1919 Wilcox,2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Maurine and Other Poems* Ella Wheeler Wilcox,1916 **Maurine and Other Poems** Ella Wheeler Wilcox,2019-12-10 In *Maurine and Other Poems* Ella Wheeler Wilcox presents a compelling collection that traverses the realms of love loss and the human experience encapsulated in her distinctive lyrical style Wilcox s poetry is characterized by its clear imagery and resonant emotional depth often featuring themes of optimism and self exploration This pivotal work emerges from the late 19th century literary context a time marked by the transcendental and romantic movements and reveals her adeptness in blending traditional forms with personal themes rendering her voice both accessible and profound Ella Wheeler Wilcox herself is an emblematic figure of her time known not only for her poetry but also for her advocacy of social issues including women s rights and humanitarian causes Born in 1850 her experiences as a Midwestern woman and her engagement with various social movements fueled her creative drive informing the heartfelt and clear expressions found
