Murderer In The Mikdash:

Murderer in the Mikdash Gidon Rothstein, 2005-04-30 Rachel Tucker an ABC News anchorwoman temporarily living in Israel has just had a baby and lost her best friend to sudden respiratory distress Her attempts to find the real cause of that friend s death force her to confront uncomfortable truths about the Messianic society that Israel has become about herself and about how she can or cannot find her place in that world Finding America in Exodus Michael J. Broyde, Reuven Travis, 2022-09-28 God s charge to the Jewish people at Sinai was to be a kingdom of priests and a holy nation Nowhere is freedom found in this exhortation even though the Jews had been freed from slavery only seven weeks prior That is because the Jews were not liberated merely to become a free people God wanted them and expected them to evolve into a nation committed to creating a law abiding society From this perspective freedom is just a necessary precondition to achieving this America s founders understood this and wove this idea into the basic fabric of the democracy they were creating What has for centuries set America apart from other nations is its synergistic linking between freedom and the law which of course is something that goes to the heart of the Exodus story The first of the national goals enumerated in the preamble to the US Constitution is to form a more perfect Union followed by to establish Justice We truly believe that America is and always has been a great country Yet greatness does not equate to perfection and America s history is marked by episodes slavery foremost among them that were far from the founder s stated goals for their emerging nation Falling short of the mark as the American and Jewish people have done more times than either would like to remember does not negate their aspirational national goals It just means that we must be prepared to honestly assess morally challenging situations when they arise and then recommit ourselves to our goals be it becoming a kingdom of priests and a holy nation or creating a more perfect Union Never losing sight of this is the true enduring lesson of Exodus **The Murder of Andrei Yushchinsky** G.G.

Zamyslovsky, JRBooksOnline, 2016 **Murder in Our Midst** Omer Bartov, 1996-02-29 War endlessly tries to mask itself The myth of the heroic soldier testing his individual courage stands in stark contrast to the reality of mass anonymous death and the suppression of individual actions Murder in Our Midst shows that this fundamental tension reached its natural conclusion in the Holocaust and that disguising it has required an ongoing effort to misrepresent war and the Holocaust as something other than industrial killing Examining a broad range of the representations of war s horrors from scholarly depictions to those in popular literature poetry art and the movies Omer Bartov finds they have some things in common Societies and cultures have attempted to form coherent images of horrific events to draw didactic lessons from them and to exploit them to legitimate ideological or political positions Made up of interconnected essays this book is both a scholarly and an often personal and passionate examination of the emergence implementation and representation of industrial killing Bartov draws out the links between recent revisionist attempts to minimize and deny the Holocaust and Hollywood s ongoing fascination with National Socialism and Hitler s Final Solution Arguing that the modern predicament reflects the effects of the Nazi

genocide on current perceptions of war history and memory this book is a plea for compassion and commitment in an increasingly violent and indifferent world The Little Peshitta The Peshitta Foundation,2008-06-28 The Little Peshitta hardcover edition containing the seven books of the smaller canon of Scripture used in the first century and after including the Gospel of Matthew Epistle of James Hymns various prayers for daily devotions etc Faithfully translated from the original Aramaic and Hebrew into English Includes appendix with articles concerning the Peshitta 2009, □□□□□□□□ **The Lord is Righteous in All His Ways** Joseph Dov Soloveitchik,2006 Insights to the daf. ,2006 **The Book of Our Heritage** Eliyahu Kitov,1997 This beloved classic completely revised and annotated for the contemporary reader explores the holidays Festivals and fast days of the Jewish calendar and explains their laws and customs Midrashic commentaries and insights of great Jewish thinkers and spiritual leaders enhance the heartwarming inspiring text 3 volume gift boxed set Individual volumes not sold separately Now available in Pocket size the Book of Our Heritage three volume set is the perfect companion to take with you anywhere you go Sold as a set only **The Book of Our Heritage** Eliyahu Kitov,1997 Explores the Jewish year with great depth sensitivity and insight Laws customs and practices are all noted and explained along with the words of our Sages in a wealth of Midrashic commentary *Shoah* Yoel Schwartz,Yo'el ben Aharon Shyarts,Yitshak Goldshtain,1990 The authors are Orthodox Torah scholar teachers **A Damaged Mirror** Shahrar, Yael,ben Malka, Ovadya,2015-03-11 Newly revised with a Foreword by Rabbi Nathan Lopes Cardozo He sold his soul to survive Auschwitz Now he s taking it back An embittered holocaust survivor cannot speak of what he was forced to do to survive A young girl in Texas is haunted by a memory of something she could not have lived Together they must unlock the gates of memory to find the hope that lies beyond despair □□□□ □□□□□□ Zechariah Fendel,1988 *The Soul of Jewish Social Justice* Rabbi Dr. Shmuly Yanklowitz,2014-05-01 The Soul of Jewish Social Justice offers a novel intellectual and spiritual approach for how Jewish wisdom must be relevant and transformational in its application to the most pressing moral problems of our time The book explores how spirituality ritual narratives holidays and tradition can enhance one s commitment to creating a more just society Readers will discover how the Jewish social justice ethos can help address issues of education reform ethical consumption the future of Israel immigration prison reform violence and business ethics **In the Image of God** Judith S. Antonelli,1997-02-01 In the Image of God A Feminist Commentary on the Torah is a unique blend of traditional Judaism and radical feminism and is a groundbreaking commentary on the Bible the central document of Jewish life Using classical Jewish sources as well as supplementary material from history anthropology sociology psychology ancient religion and feminist theory Judith Antonelli has examined in detail every woman and every issue pertaining to women in the Torah parshah by parshah The Torah is divided into fifty four portions each portion or parshah is read in the synagogue on the Sabbath combining a few to make a yearly cycle of readings This book is modeled on that structure hence there are fifty chapters each of which corresponds to a parshah One may therefore read this book from beginning to end or use it as a study guide

for the parshah of the week The reader will discover in these pages that the Torah is not the root of misogyny sexism or male supremacy Rather by looking at the Torah in the context in which it was given the pagan world of the ancient Near East it becomes clear that far from oppressing women the Torah actually improved the status of women as it existed in the surrounding societies Not only does this book refute the common feminist stereotype that Judaism is a patriarchal religion but it also refutes the sexism found in Judaism by exposing it as sociological rather than divine law
