Industrial Directory of New York State New York (State). Department of Commerce, 1953

A Guide to Popular Music Reference Books Gary Haggerty, 1995-09-30 A guide to locating information on popular music and the people who create it this volume is designed as a desk reference to locate answers to specific questions and to direct library users to key resources. More than 400 comprehensive titles are carefully annotated describing content scope and special features. The focus is on the musical styles that have developed measurable commercial success through recordings and live performance. Along with academic titles many important titles from the popular press are included as well as

selected electronic resources A necessary reference tool for any library scholar student and popular music buff The work covers bibliographies indexes discographies dictionaries and encyclopedias biographical resources directories almanacs yearbooks and guidebooks on styles that include jazz swing Tin Pan Alley country gospel blues rhythm and blues soul rockabilly rock heavy metal musical theater and film music Its extensive appendices feature discographies and bibliographies of individual artists and ensembles A detailed index combining authors titles and subjects makes cross referencing easy The entries are modeled after the immensely useful The Guide to Reference Books

The Words and Music of Frank Zappa

Kelly Fisher Lowe,2007-10-01 A deep look at the work of one of the most insightful and incisive critics of late 20th century American culture Reader's Guide to Music Murray Steib,2013-12-02 The Reader s Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology Rock Song Index Bruce Pollock,2014-03-18 The Rock Song Index Second Edition is a new version of a well received index to the classic songs of the rock canon from the late 40s through the end of the 20th century The study of the history of rock music has exploded over the last decade all college music departments offer a basic rock history course covering the classic artists and their songs

All Music Guide to Classical Music Chris Woodstra,Gerald Brennan,Allen Schrott,2005-09 Offering comprehensive coverage of classical music this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers as well as twenty three essays on forms eras and genres of classical music Original

The Rough Guides' New York City Directions Martin Dunford,Rough Guides (Firm),2004-08 Provides information on dining accommodations nightlife shopping landmarks and side trips Myself When I am Real Gene Santoro,2001-11-29 Charles Mingus was one of the most innovative jazz musicians of the 20th Century and ranks with Ives and Ellington as one of America s greatest composers By temperament he was a high strung and sensitive romantic a towering figure whose tempestuous personal life found powerfully coherent expression in the ever shifting textures of his music Now acclaimed music critic Gene Santoro strips away the myths shrouding Jazz s Angry Man revealing Mingus as more complex than even his lovers and close friends knew A pioneering bassist and composer Mingus redefined jazz s terrain He penned over 300 works spanning gutbucket gospel Colombian cumbias orchestral tone poems multimedia performance and chamber jazz By the time he was 35 his growing body of music won increasing attention as it unfolded into one pioneering musical venture after another from classical meets jazz extended pieces to spoken word and dramatic performances and television and movie soundtracks Though critics and musicians debated his musical merits and his personality by the late 1950s he was widely

recognized as a major jazz star a bellwether whose combined grasp of tradition and feel for change poured his inventive creativity into new musical outlets But Mingus got headlines less for his art than for his volatile and often provocative behavior which drew fans who wanted to watch his temper suddenly flare onstage Impromptu outbursts and speeches formed an integral part of his long running jazz workshop modeled partly on dramatic models like Orson Welles Mercury Theatre Keeping up with the organized chaos of Mingus s art demanded gymnastic improvisational skills and openness from his musicians which is why some of them called it the Sweatshop He hired and fired musicians on the bandstand attacked a few musicians physically and many more verbally twice threw Lionel Hampton s drummer off the stage and routinely harangued chattering audiences once chasing a table of inattentive patrons out of the FIVE SPOT with a meat cleaver But the musical and mental challenges this volcanic man set his bands also nurtured deep loyalties Key sidemen stayed with him for years and even decades In this biography Santoro probes the sore spots in Mingus s easily wounded nature that helped make him so explosive his bullying father his interracial background his vulnerability to women and distrust of men his views of political and social issues his overwhelming need for love and acceptance Of black white and Asian descent Mingus made race a central issue in his life as well as a crucial aspect of his music becoming an outspoken and often misunderstood critic of racial injustice Santoro gives us a vivid portrait of Mingus s development from the racially mixed Watts where he mingled with artists and writers as well as mobsters union toughs and pimps to the artistic ferment of postwar Greenwich Village where he absorbed and extended the radical improvisation flowing through the work of Allen Ginsberg Jackson Pollock and Charlie Parker Indeed unlike Most jazz biographers Santoro examines Mingus s extra musical influences from Orson Welles to Langston Hughes Farwell Taylor and Timothy Leary and illuminates his achievement in the broader cultural context it demands Written in a lively novelistic style *Myself When I Am Real* draws on dozens of new interviews and previously untapped letters and archival materials to explore the intricate connections between this extraordinary man and the extraordinary music he made

All Music Guide to Rock Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2002-04 This fun to read easy to use reference has been completely updated expanded and revised with reviews of over 12 000 great albums by over 2 000 artists and groups in all rock genres 50 charts

American School Guide and Directory of Private Schools and Colleges ... ,1900

America's Songs III: Rock! Bruce Pollock,2017-03-16 America s Songs III Rock picks up in 1953 where America s Songs II left off describing the artistic and cultural impact of the rock n roll era on America s songs and songwriters recording artists and bands music publishers and record labels and the all important consuming audience The Introduction presents the background story discussing the 1945 1952 period and focusing on the key songs from the genres of jump blues rhythm n blues country music bluegrass and folk that combined to form rock n roll From there the author selects a handful of songs from each subsequent year up through 2015 listed chronologically and organized by decade As with its two preceding companions America s Songs III highlights the most important songs of each

year with separate entries More than 300 songs are analyzed in terms of importance both musically and historically and weighted by how they defined an era an artist a genre or an underground movement Written by known rock historian and former ASCAP award winner Bruce Pollock *America's Songs III Rock* relays the stories behind America's musical history

A House on Fire John A. Jackson, 2004-11-15 If You Don't Know Me By Now The Love I Lost The Soul Train Theme Then Came You Ain't No Stoppin' Us Now the distinctive music that became known as Philly Soul dominated the pop music charts in the 1970s In *A House on Fire* John A. Jackson takes us inside the musical empire created by Kenny Gamble Leon Huff and Thom Bell the three men who put Philadelphia Soul on the map Here is the eye opening story of three of the most influential and successful music producers of the seventies Jackson shows how Gamble Huff and Bell developed a black recording empire second only to Berry Gordy's Motown pumping out a string of chart toppers from Harold Melvin the Blue Notes the Spinners the O'Jays the Stylistics and many others The author underscores the endemic racism of the music business at that time revealing how the three men were blocked from the major record companies and outlets in Philadelphia because they were black forcing them to create their own label sign their own artists and create their own sound The sound they created a sophisticated and glossy form of rhythm and blues characterized by crisp melodious harmonies backed by lush string laden orchestration and a hard driving rhythm section was a glorious success producing at least twenty eight gold or platinum albums and thirty one gold or platinum singles But after their meteoric rise and years of unstoppable success their production company finally failed brought down by payola competition a tough economy and changing popular tastes Funky groovy soulful Philly Soul was the classic seventies sound *A House on Fire* tells the inside story of this remarkable musical phenomenon

Jazz Ronald D. Lankford, Jr., 2011-04-27 Jazz's influence on music in the twentieth century is unparalleled with derivatives including bebop funk hip hop psychedelic rock reggae Latin soul and ska This comprehensive survey of jazz music dives deep into the origins of the genre and explores the history of jazz from its early roots in West African drumming to its modern interpretations Readers will learn about the defining eras of jazz pioneering jazz musicians and the political and historical legacy of this music style **Bulletin of the Public Library of the City of Boston** Boston Public Library, 1914

Historical Dictionary of Popular Music Norman Abjorensen, 2017-05-25 This book seeks to trace the rise of popular music identify its key figures and track the origins and development of its multiple genres and styles all the while seeking to establish historical context It is fundamentally a ready reference guide to the broad field of popular music over the past two centuries It has become a truism that popular music so pervasive in the modern world constitutes a soundtrack to our lives a constant though changing presence as we cross thresholds and grow from children to teenagers to adults But it has become more than a soundtrack it has become a narrative Not just an accompaniment to our daily lives but incorporating our lives our sense of identity our lived experiences into it We have become part of the music just as the music has become part of us The *Historical Dictionary of Popular Music* contains a chronology an introduction an appendix and an extensive

bibliography The dictionary section has over 1000 cross referenced entries on major figures across genres definitions of genres technical innovations and surveys of countries and regions This book is an excellent resource for students researchers and anyone wanting to know more about popular music The Donaldson, Guide ,1894
