church is the key or has the responsibility to pass on faith to the next generation In fact on the contrary it makes it very clear that parents and grandparents are the principal conduit to train and instruct their children about God and His love for them God s instruction manual on bringing up children is very clear in Deuteronomy 6 5 7 According to God s word God wants parents and grandparents to focus on passing on a godly legacy to the future generations So this book titled Godly Mothers and Grandmothers Bible Storytime for Kids will help achieve this objective of leaving a part of the legacy that you are passing on through these precious kids to help build a faith line of future generations Children s children are a crown to the aged and parents are the pride of their children Proverbs 17 6
