Mustering The Forces Formidable Fighter 1:

Bloody, Brutal, and Barbaric? William J. Webb, Gordan K. Oeste, 2019-12-03 Christians cannot ignore the intersection of religion and violence. In our own Scriptures, war texts that appear to approve of genocidal killings and war rape raise hard questions about biblical ethics and the character of God. Have we missed something in our traditional readings? Identifying a spectrum of views on biblical war texts, Webb and Oeste pursue a middle path using a hermeneutic of incremental redemptive movement ethics.

Mustering the Forces Martina Sprague, 2015-01-11 A successful martial artist has the physical strength and mental tenacity required to gain the respect of a bigger opponent. To achieve this kind of physical and mental strength, you must train with intent. Start by avoiding weak efforts. Don't cheat on the exercises regardless of whether they comprise pushups, squats, jumping jacks, bag work, forms practice, sparring, or just coming to class motivated and ready to go. Dig down deep and you will discover that you have the mind, heart, and fortitude to succeed. This book sets the stage for the training that is to follow so that you can step up and break the barrier that prevents you from reaching your full potential. Since the advice is not style specific but explores the underlying concepts of personal combat, it is applicable to students of most martial styles.

Ahab's House of Horrors Kyle R. Greenwood,David B. Schreiner,2023-03-22 Reconciling biblical and extrabiblical history The extrabiblical testimony surrounding Israel s early history is difficult to assess and synthesize But numerous sources emerging from the ninth century BC onward invite direct comparison with the biblical account In *Ahab s House of Horrors* A Historiographic Study of the Military Campaigns of the House of Omri Kyle R Greenwood and David B Schreiner examine the historical records of Israel and its neighbors While Scripture generally gives a bleak depiction of the Omride dynasty extrabiblical evidence appears to tell another story Inscriptions and archeological evidence portray a period of Israelite geopolitical influence and cultural sophistication Rather than simply rejecting one source over another Greenwood and Schreiner press beyond polarization They propose a nuanced synthesis by embracing the complex dynamics of ancient history writing and the historical difficulties that surround the Omri dynasty *Ahab s House of Horrors* is an important contribution to the ongoing discussion of biblical historiography and specifically to our understanding of 1 2 Kings and the Omri family

Ancient Syria Trevor Bryce,2014-03-05 Syria has long been one of the most trouble prone and politically volatile regions of the Near and Middle Eastern world This book looks back beyond the troubles of the present to tell the 3000 year story of what happened many centuries before Trevor Bryce reveals the peoples cities and kingdoms that arose flourished declined and disappeared in the lands that now constitute Syria from the time of it s earliest written records in the third millennium BC until the reign of the Roman emperor Diocletian at the turn of the 3 4th century AD Across the centuries from the Bronze Age to the Rome Era we encounter a vast array of characters and civilizations enlivening enriching

and besmirching the annals of Syrian history Hittite and Assyrian Great Kings Egyptian pharaohs Amorite robber barons the biblically notorious Nebuchadnezzar Persia's Cyrus the Great and Macedon's Alexander the Great the rulers of the Seleucid empire and an assortment of Rome's most distinguished and most infamous emperors All swept across the plains of Syria at some point in her long history All contributed in one way or another to Syria's special distinctive character as they imposed themselves upon it fought one another within it or pillaged their way through it But this is not just a history of invasion and oppression Syria had great rulers of her own native born Syrian luminaries sometimes appearing as local champions who sought to liberate their lands from foreign despots sometimes as cunning self seeking manipulators of squabbles between their overlords They culminate with Zenobia Queen of Palmyra whose life provides a fitting grand finale to the first three millennia of Syria's recorded history The conclusion looks forward to the Muslim conquest in the 7th century AD in many ways the opening chapter in the equally complex and often troubled history of modern Syria **OCR Ancient History**

Webb,2012-12-20 Eminently readable exegetically thorough and written in an emotionally warm style that flows from his keen sensitivity to the text Barry Webb s commentary on Judges is just what is needed to properly engage a dynamic narrative work like the book of Judges It discusses not only unique features of the stories themselves but also such issues as the violent nature of Judges how women are portrayed in it and how it relates to the Christian gospel of the New Testament Webb concentrates throughout on what the biblical text itself throws into prominence giving space to background issues only when they cast significant light on the foreground For those who want more the footnotes and bibliography provide helpful guidance The end result is a welcome resource for interpreting one of the most challenging books in the Old Testament *The war cruise of the Mosca*
