Finishing Stronger Ronnie Palmer,2022-12-12 Finishing Stronger By Ronnie M Palmer In Finishing Stronger author Ronnie M Palmer tells an incredible and intriguing journey of greed lust and addiction The book delves deeper into the author s personal experiences as he prepares to embrace change after forty years of alcohol and heroin addiction This is a fast paced addiction memoir about recovery starting with intoxication and concluding with redemption He hides nothing as he tells the reader how he reached his limitations and got stronger in mind and more focused in spirit He challenges and guides the readers to become better and more disciplined human beings and explains how they can extend to their best potential by knowing themselves The book ascertains the struggles and hopelessness of addiction but shows that ultimately there is still hope Written in an easy and simple language the book touches upon different themes all at once It is full of inspiration for every person who wishes to break the bondages of addiction This book is full of hope heart and genuine love The book intends to impart the message that change is possible that forgiveness can be freely given and that life though imperfect is worth embracing Finishing Stronger is a story of the human journey and redemption **The Hakka Cookbook** Linda Lau Anusasananan,2012-10-08 Veteran food writer Linda Lau Anusasananan opens the world of Hakka cooking to Western audiences in this fascinating chronicle that traces the rustic cuisine to its roots in a history of multiple migrations Beginning in her grandmother s kitchen in California Anusasananan travels to her family s home in China and from there fans out to embrace Hakka cooking across the globe including Hong Kong Taiwan Singapore Malaysia Canada Peru and beyond More than thirty home cooks and chefs share their experiences of the Hakka diaspora as they contribute over 140 recipes for everyday Chinese comfort food as well as more elaborate festive specialties This book likens Hakka cooking to a nomadic type of soul food or a hearty cooking tradition that responds to a shared history of hardship and oppression Earthy honest and robust it reflects the diversity of the estimated 75 million Hakka living in China and greater Asia and in scattered communities around the world yet still retains a core flavor and technique Anusasananan s deep personal connection to the tradition together with her extensive experience testing and developing recipes make this book both an intimate journey of discovery and an exciting introduction to a vibrant cuisine *A Jeep with No Brakes* Insight Publishing Group,2001

What's Wrong With My Culture? Jason Banks,2021-06-10 This is one man s coming to terms with all the negative decisions he s made throughout his life as well as the influence his culture has had on these decisions in his life He attempts to dissect and analyze some of the prevalent and erroneous mindsets within the Black community where they come from as well as how they are holding African American men and women back today The way in which he relates his experiences in his

life through the lens of his culture makes this a deep and honest examination of Black culture as a whole This is guaranteed to resonate with anyone concerned with the state of large swathes of the African American communities throughout the country This isn't a story of the man is holding us down This is a story of how these men and women became and are holding us back from being the men and women we were destined to be Jason Banks asks himself the hard questions to come up with the answers contained in this book It is an open honest at times uncomfortable insight into one Black man's life that took the wrong fork in the road This book is an attempt to influence his culture for the better so others may succeed where he failed Readers will be afforded the same insight by simply reading and taking the journey with him *Pole's Apart* Michelle

McMeekin, 2011-06-01 Description Poles Apart tells the story of how suffering from severe mental health problems since the age of 17 nearly destroyed Michelle But now strangely when she looks back at her life she feels it has made her stronger It took ten years before she was diagnosed with Bi polar disorder Her low episodes were caused by very excessive stress in the workplace as a personal assistant in local government and she had three breakdowns at the ages of 17 22 and 27 During this last one she threw herself under a train and miraculously survived with no injuries She was sectioned into a Victorian style mental hospital This she says was sheer hell on earth I decided to write my autobiography because I am convinced that there will be a lot of people out there in this stressful age who have suffered like me If one person picks up my book and I give them hope by everything that has happened to me and how my life is now happy and fulfilled then I will have a great sense of personal achievement I would like fellow sufferers who are currently still very ill to see that even though life seems so bleak at times things can turn round and you can get better About the Author Although married for 4 years Michelle was surprised to find herself pregnant Throughout the whole of the pregnancy she was still very depressed and convinced she was dying and that her body was tricking her into thinking she was pregnant Nobody knew Eventually she gave birth to Kirsty who she calls my darling daughter now aged 8 This turned her life around for the better Something registered in my sub conscious when I had Kirsty and I stopped thinking I was dying how could a dying body give birth to a healthy child Michelle loved being a mother and says she went a bit high afterwards but leveled off Sixteen months later she had a second daughter my lovely Lauren now aged 6 I love motherhood and I believe it has been my saviour *Outlook and Independent*, 1929
