many similarities They were all children of the great migration and of the black church But Werner goes further and ties them together with a provocative thesis about American history and culture that compels us to reconsider both the music and the times And aside from the personalities and the history he writes beautifully about music itself the nuts and bolts of its creation and performance in a way that brings a new awareness and understanding to the most familiar music forcing you to listen to songs you ve heard a thousand times with fresh ears In *Higher Ground* Werner illuminates the lives of three unparalleled American artists reminding us why their music mattered then and still resonates with us today [The Stevie Wonder Anthology](#) Stevie Wonder,2002-12-01 Piano Vocal Guitar Artist Songbook A must for every Wonder fan this is a comprehensive collection of 75 gems from 1963 to 1998 arranged for piano vocal guitar Includes Boogie On Reggae Woman Ebony and Ivory Fingertips Part 2 For Once in My Life Higher Ground I Just Called to Say I Love You I Was Made to Love Her Isn t She Lovely My Cherie Amour Part Time Lover Ribbon in the Sky Signed Sealed Delivered I m Yours Sir Duke Superstition Uptight Everything s Alright You Are the Sunshine of My Life and more This deluxe 368 page collection also features a discography of all the songs listed chronologically by album *Jet* ,1969-07-17 The weekly source of African American political and entertainment news *The Apex of Time* Richard Clough,2017-06-23 The novel that couldn t be written in the way that most novels of the past gave hints of what life would be like in the future Inadvertent strikes on some behemoth that would become so powerful that it defied expression except by this one so called time traveler who knotted together the bits and pieces forming some mammoth interpretation that could never fully expose the great breadth of the apex of time Yet its essence despite great impediments was exposed somewhat by something that seemingly came at the speed of light after nearly sixty years of its experience [The Charge of the Light Cavalry](#) Richard Wesley Clough,2024-06-24 The Charge of the Light Cavalry For one grand moment There was the Charge of the Light Cavalry In reaction to the general calliope Of things challenging the dark domain Even as others lied Trying to deceive There who attempted to right the corrupted world By dint of a great spirit Filling my inner cavities Inciting the charge of the light cavalry Something only a few have known in history [Sentimental](#) Richard Wesley Clough,2023-05-22 The near final perspective of the minimum wage actor where the slogan you can t take it with you may seem absolute when one feels the profundity of his last days before death puts its final face like it said in the first Philosophers on the deceased Yet if one knows what once happened might be tarnished the next life gives one hope for supposedly faulty decisions like That Mysterious Girl Then again it might be her opportunity for a revenge he might not be prepared for just as the vampire wives of this life might be waiting to be normal the next All in all it s a complex riddle only the reader might wonder over knowing life often has a lot of ups and downs no matter how much comes from the previous life beyond what was so in general sentimental **Easy Pop Melodies for Clarinet** Hal Leonard Corp.,2014-06-01 Instrumental Folio Play 50 of your favorite pop tunes on your clarinet This collection features arrangements written in accessible keys and ranges with lyrics and chord
