Neibaur looks at the thirty one features that Presley made from Love Me Tender in 1956 to Change of Habit in 1969 Most of these were star vehicles tailor made for his image As Neibaur points out Elvis had a real interest in being a good actor but his initial promise was soon thwarted by anti creative decisions that sold a packaged version of the singer Despite lapsing into a predictable formula of lightweight musicals Elvis Presley's star

power ensured that the films became box office successes Neibaur examines each film providing information about their production and offering assessments about their value in general as well as their place in the Presley canon Additional details include behind the scenes personnel costars DVD availability and featured hit songs An entertaining and informative look at an often underrated aspect of the singer's career The Elvis Movies offers readers insight into his films This volume will be a welcome resource to fans of the singer who want to know more about the King and his successful ventures on the big screen
