George McKay

Forest Fest Strapline:

The Pop Festival George McKay, 2015-05-21 I'm going to camp out on the land try and get my soul free So sang Joni Mitchell in 1970 on Woodstock But Woodstock is only the tip of the iceberg Popular music festivals are one of the strikingly successful and enduring features of seasonal popular cultural consumption for young people and older generations of enthusiasts From pop and rock to folk jazz and techno under stars and canvas dancing in the streets and in the mud the pleasures and politics of the carnival since the 1950s are discussed in this innovative and richly illustrated collection The Pop Festival brings scholarship in cultural studies media studies musicology sociology and history together in one volume to explore the music festival as a key event in the cultural landscape and one of major interest to young people as festival goers themselves and as students

Scottish Forestry, 2001 **Transience and Permanence in Urban Development** John Henneberry, 2017-03-21 Temporary urban uses innovative ways to transform cities or new means to old ends The scale and variety of temporary or meanwhile or interim urban uses and spaces has grown rapidly in response to the dramatic increase in vacant and derelict land and buildings particularly in post industrial cities To some this indicates that a paradigm shift in city making is underway To others alternative urbanism is little more than a distraction that temporarily cloaks some of the negative outcomes of conventional urban development However rigorous theoretically informed criticism of temporary uses has been limited The book draws on international experience to address this shortcoming from the perspectives of the law sociology human geography urban studies planning and real estate It considers how time and the way that it is experienced informs alternative perspectives on transience It emphasises the importance for analysis of the structural position of a temporary use in an urban system in spatial temporal and socio cultural terms It illustrates how this position is contingent upon circumstances What may be deemed a helpful and acceptable use to established institutions in one context may be seen as a problematic unacceptable use in another What may be a challenging and fulfilling alternative use to its proponents may lose its allure if it becomes successful in conventional terms Conceptualisations of temporary uses are therefore mutable and the use of fixed or insufficiently differentiated frames of reference within which to study them should be avoided It then identifies the major challenges of transforming a temporary use into a long term use These include the demands of regulatory compliance financial requirements levels of expertise and so on Finally the potential impacts of policy on temporary uses both inadvertent and intended are considered The first substantive critical review of temporary urban uses Transience and Permanence in Urban Development is essential reading for academics policy makers practitioners and students of cities worldwide

Inside City Tourism John Heeley, 2011 Inside City Tourism explores how European cities use tourism to bolster their economies and image appraising it in terms of history measurement structure operations and leadership This book distinguishes itself from other texts through its pan European perspective and by combining both theory and practice New and original case materials are used to exemplify mainstream approaches to city marketing identify

recurrent problems and opportunities and exemplify best practice *Christian Eco-Spirituality* Robin A. Parry, 2025-10-16 Is there nothing distinctive that Christians can contribute to the environmental cause beyond human resources responsible citizenship and consumer power Robin Parry argues that what Christianity has to offer is a distinctive spirituality one that provides a rich rationale for creation care principles to guide it and the resources to empower equip and form people to walk the pathway with resilience This book seeks to bring into focus the critical importance of God's creation inherent in Christian theological beliefs spiritual action and ethical values It explores a range of biblical teachings and practices that help us to see the world with new eyes discerning the presence of God's Wisdom at the heart of all things At its core this is a book about a slow spirituality one that helps us reconnect with the rhythms of the natural world as we learn what it means to inhabit creation as creatures living alongside other creatures with faces turned towards our Creator **Francis Meadowes**

Mysteries Books One to Four Mark McCrum, 2024-04-09 The first four novels in the series starring a globetrotting sleuth whose travels include some deadly detours The Festival Murders Scathing in his reviews and unseemly in his affairs Bryce Peabody is ready to give a talk at the annual literary festival in the pretty English town of Mold on Wold until he's found dead in his hotel room Soon author Francis Meadowes is drawn into a role he knows only from his own fiction that of amateur detective A wicked send up of literary festivals The Independent Cruising to Murder Francis is lecturing aboard a luxurious ship as it cruises down the West African coast Among the passengers are a retired surgeon a mischievous elderly widow and a beautiful American accompanied by her tedious but extremely wealthy aunt But when two of them die the sleuthing crime writer may be out of his depth An eclectic mix of characters none of whom would be out of place in an Agatha Christie tale Daily Mail A likable and smart series lead Booklist Murder Your Darlings A Mail on Sunday Book of the Year Francis is in Italy running a creative writing course at an Umbrian villa His students include snooty Poppy and her husband a Northern Irishman who writes angry poems about the Troubles a kooky American and a possible spy But things turn sinister when a body is found in the sauna A neat twist on the classic English country house formula Kirkus Reviews Murder on Tour On his first paid detective gig Francis joins a rock star's entourage as they tour from Berlin to Brussels and beyond The musician's manager has been concerned about some dangerous events but the biggest shock comes from the guitar that electrocutes a bandmate *Marketing*, 2008 **New Society**, 1987
