It was the school holidays. The Nature Society of my school has planned a trip to the beach. We was going to do a beach clean-up. We left school in a bus at 7.30 a.m., and we reached the beach at about half an hour. The sun was shining brightly by then, and everybody was beginning to felt the heat. Mr Lim, our teacher-in-charge gave a short briefing before split us into groups. We then set off to the designated part of a beach we were assigned to. The amount of rubbish scatter on the beach did not seem much, but we were wrong. By 12 noon, we has collected ten bags filled with rubbish and we were still not doing! Plastic bottles, empty cans, newspaper, cigarette butts, plastic bags...the list seemed endless. However there were rubbish bins placed around the area, people still threw our rubbish wherever they liked. We finally completed the clean-up at three o'clock in the afternoon. Mr Lim thanked everyone for a job well done. I felt happy that I had spent a meaningful day doing something to help the environment.
