Gauteng Education Department Examination Papers:

Education in a New South Africa Robert J. Balfour, 2015-09-24 A collaborative series with the University of Cambridge Faculty of Education highlighting leading edge research across Teacher Education International Education Reform and Language Education

For my Country Themba Maseko, 2021-05-17 When I joined the struggle as a 13 year old boy in Soweto I would never have imagined that one day I would blow the whistle on a special kind of corruption that was destroying the party and the values I had been fighting for all my life In 2010 government spokesperson Themba Maseko was called to the Gupta family's Saxonwold compound and asked by Ajay Gupta to divert the government's entire advertising budget to the family's media company When Maseko refused to do so he was removed from his position and forced to leave the public service The life of this once proud civil servant would never be the same again Maseko whose activism was forged in the Soweto uprising of 1976 is a product of the struggle and has always been unfailingly loyal to the principles of the ANC In 2016 when the party called on members with evidence of wrongdoing by the Guptas to step forward Maseko was the only one to do so For this courageous act of whistleblowing he was ostracised slandered and even threatened As a former senior state official Maseko also offers a rare insider's view of the presidencies of Thabo Mbeki and Jacob Zuma and of the inner workings of government Compelling and revelatory For My Country shows what it takes to stand up for one's principles and defy the most powerful man in the country

Twenty Years of Education Transformation in Gauteng 1994 to 2014 Maringe, Felix, Prew, Martin, 2015-05-05 Twenty Years of Education Transformation in Gauteng 1994 to 2014 An Independent Review presents a collection of 15 important essays on different aspects of education in Gauteng since the advent of democracy in 1994 These essays talk to what a provincial education department does and how and why it does these things whether it be about policy resourcing or implementing projects Each essay is written by one or more specialist in the relevant focus area The book is written to be accessible to the general reader as well as being informative and an essential resource for the specialist reader It sheds light on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book's chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education's present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years
