The Battle Worth Fighting Julie Ann Allen,2018-10-30 When we first become parents we don t imagine ever being single parents Regardless this is where we are Instead of evaluating God s love based on your circumstances evaluate your circumstances through the lens of God s love This is what it is to co parent your children with God The Battle Worth Fighting is both a practical guide to approach the challenges of raising children in this current culture with the social influences they face as well as a guide to spiritual development and growth for your children and you Let God be the authoritative parent for your children Establish the boundaries you know God is leading you to establish Place your priorities where God is showing you to place them Your prayer request is to hear his call and move in the direction he leads This is a game changer Instead of seeking the path to acclaim and earthly accomplishments we seek what God values and wants for us and for our children This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives God is calling us to invest in our children so they can become who God had in mind when he created them
