Essay Exam

Directions: Read the following choices carefully, plan what you want to write, and then write a thoughtful, well-developed and polished essay. Be sure to fully answer the question.

- 1) Write a narrative essay in which you tell the story of an experience you had that taught you something important. Make it clear to the reader what you learned from the experience.
- 2) Write a process essay in which you explain to a new student at our school how to do something they are unfamiliar with (i.e., how to add or drop a course, how to apply for financial aid, how to study for a test, how to write an essay, how to take an online course, etc.).
- 3) Write an essay comparing and contrasting any two related items (i.e., 2 classes you've taken, 2 brands of a similar product, 2 jobs that you've had, etc.).
- 4) Write a persuasive essay arguing the following statement: All students at our school should (or should not) be required to take _____. (Pick any course or subject.)

Your essay must be at least 500-words long. Make sure that you have a strong, specific thesis statement, clear topic sentences, and engaging details. I encourage you to write several drafts of your essay. Be sure to proofread for errors in spelling and grammar before you finish, as persistent errors will work against the effectiveness of the essay.
