New Perspectives on Material Mediation in Language Learner Pedagogy Darren K. LaScotte, Corinne S. Mathieu, Samuel S. David, 2022-05-31 This volume distinguishes itself from existing research on materials design development and evaluation and focuses on material mediation in actual processes of teaching and learning a subject that has been under researched in the field of applied linguistics and second language education This edited volume includes diverse perspectives on the roles that materials play in language learner pedagogy Moving beyond the field of English language teaching readers will find novel contributions offering a diversity of language teaching contexts learner populations and topics in the theory and or practice of second and foreign language teaching Chapters explore the ways in which affordances and constraints of classroom materials impact teachers and learners while at the same time they bring their own evolving resources identities beliefs and expertise to modify and adapt the materials to better suit their local language teaching and learning environments As such this text is ideal for use as supplemental reading in a wide variety of applied linguistics second foreign language education TESOL and instructional course design courses

Young People on the Margins Loic Menzies, Sam Baars, 2021-03-30 Our society leaves too many young people behind More often than not these are the most vulnerable young people and it is through no fault of their own Building a fair society and an equitable education system rests on bringing in and supporting them By drawing together more than a decade of studies by the UK s Centre for Education and Youth this book provides a new way of understanding the many ways young people in England are

pushed to the margins of the education system and in turn society Each contributor shares the personal stories of the young people they have encountered over the course of their fieldwork and practice combining this with accessible syntheses of previous studies alongside extensive analysis of national datasets and key publications By unpicking the many overlapping factors that contribute to different groups vulnerability the book demonstrates the need to understand each young person s life story and to respond quickly and collaboratively to the challenges they face The chapters conclude with action points highlighting the steps individuals institutions and policy makers can take to bring young people in from the margins Young People on the Margins showcases first hand examples of where these young people s needs are being addressed and trends bucked drawing out what can and must be learned for teachers leaders youth workers and policy makers

Reading Contemporary African American Literature Beauty Bragg,2014-11-12 Reading Contemporary African American Literature focuses on the subject of contemporary African American popular fiction by women Bragg s study addresses why such work should be the subject of scholarly examination describes the events and attitudes which account for the critical neglect of this body of work and models a critical approach to such narratives that demonstrates the distinctive ways in which this literature captures the complexities of post civil rights era black experiences In making her arguments regarding the value of popular writing Bragg argues that black women s popular fiction foregrounds gender in ways that are frequently missing from other modes of narrative production They exhibit a responsiveness and timeliness to the shifting social terrain which is reflected in the rapidly shifting styles and themes which characterize popular fiction In doing so they extend the historical function of African American literature by continuing to engage the black body as a symbol of political meaning in the social context of the United States In popular literature Beauty Bragg locates a space from which black women engage a variety of public discourses

Future Communication, Information and Computer Science Dawei Zheng,2015-02-05 The 2014 International Conference on Future Communication Information and Computer Science FCICS 2014 was held May 22 23 2014 in Beijing China The objective of FCICS 2014 was to provide a platform for researchers engineers and academics as well as industrial professionals from all over the world to present their research results and development activities in Computer Network and Information Technology and Communication Engineering

Psychology And Pedagogics.
