## MATH-Open Response

Rita wrote the number pattern shown below:

57, 53, 49, 45, 41

- A. What could be the rule for Rita's pattern
- B. Use the rule you wrote in part A to write the next 3 numbers in Rita's pattern.

### Open Response Scoring Guide

|   |                                                                                                                                                                                                    |
|---|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 4 | All parts of the questions are answered clearly . Overall response is a complete, well-developed explanation                                                                                       |
| 3 | Most of the important parts of the question are answered clearly. You demonstrated an overall understanding but may have minor mistakes or left something out of your answer to make it incomplete |
| 2 | You answered only some parts of the question. Your answer contains error and/or omissions                                                                                                          |
| 1 | Incomplete or minimal answer that contains major errors and /or omissions                                                                                                                          |
| 0 | Your answer is totally incorrect or irrelevant                                                                                                                                                     |

# Grade 5 Math Open Response

**A Loxley**

**Grade 5 Math Open Response:**

When people should go to the book stores, search opening by shop, shelf by shelf, it is in reality problematic. This is why we give the ebook compilations in this website. It will very ease you to see guide **Grade 5 Math Open Response** as you such as.
