Transformation and Empowerment through Education Raqib Chowdhury, 2018-11-19 Transformation and Empowerment through Education challenges the normalisation of Western discourses as the optimal choice for empowering education. The book aims to reconstruct our relationship with education and employs contemporary theories in order to understand some of the most persistent phenomena in contemporary education and its role in our lives. Written by professionals with experience of a wide range of academic and institutional conventions and traditions and from diverse ethnocultural backgrounds, this book effectively presents a global perspective on educational practices both inside and outside the classroom. The range of topics covered includes equity, access, inclusivity, social justice, leadership, and the internationalisation of teaching. This book, based on empirical studies using key methodologies, is ideal for academics and postgraduate researchers interested in critical pedagogy, educational studies, and educational linguistics, as well as educators and policymakers around the world.

Research Anthology on Developing Effective Online Learning Courses Management Association, Information Resources, 2020-12-18 In the current educational environment, there has been a shift towards online learning as a replacement for the traditional in-person classroom experience. With this new environment comes new technologies, benefits, and challenges for providing courses to students through an entirely digital environment. With this shift comes the necessary research on how to utilize these online courses and how to develop effective online educational materials that fit student needs and encourage student learning motivation and success. The optimization of these online tools requires a deeper look into curriculum, instructional design, teaching techniques, and new models for student assessment and evaluation. Information on how to create valuable online course content, engaging lesson plans for the digital space, and meaningful student activities online are only a few of many current topics of interest for promoting student achievement through online learning. The Research Anthology on Developing Effective Online Learning Courses provides multiple perspectives on how to develop engaging and effective online learning courses in the wake of the rapid digitalization of education. This book includes topics focused on online learners, online course content, effective online instruction strategies, and instructional design for the online environment. This reference work is ideal for curriculum developers, instructional designers, IT consultants, deans, chairs, teachers, administrators, academicians, researchers, and students interested in the latest research on how to create online learning courses that promote student success.

New Perspectives on Material Mediation in Language Learner Pedagogy Darren K. LaScotte, Corinne S. Mathieu, Samuel S. David, 2022-05-31 This volume distinguishes itself from existing research on materials design, development, and evaluation and focuses on material mediation in actual processes of teaching and learning a subject that has been under-researched in the field of applied linguistics and second language education. This edited volume includes diverse perspectives on the roles that materials play in language learner pedagogy. Moving beyond the field of English language teaching, readers will find novel contributions offering a diversity of language teaching contexts.

learner populations and topics in the theory and or practice of second and foreign language teaching Chapters explore the ways in which affordances and constraints of classroom materials impact teachers and learners while at the same time they bring their own evolving resources identities beliefs and expertise to modify and adapt the materials to better suit their local language teaching and learning environments As such this text is ideal for use as supplemental reading in a wide variety of applied linguistics second foreign language education TESOL and instructional course design courses **Sexual**
