physician he would ultimately be trained by the very physicians who had cared for him Brandon's journey of hope found within the pages of *When I Wished Upon a Star* is a story of giving back and finding purpose in life through the intervention of God's great grace and perfect timing The other life examined in this book belongs to Jeremy Miller child actor celebrity wish and the friend who played an important role in Brandon's journey Brandon's life truly changed forever after having met Jeremy on the television set of *Growing Pains* While Brandon was dealing with his struggles so too was Jeremy In *When I Wished Upon a Star* Jeremy shares secrets from his childhood that have previously gone untold It would be easy to say that Jeremy was a child star and that historically most child stars aren't expected to have a good end Still Jeremy's secrets shocked Brandon and brought him to tears They also shed light on the reason for Jeremy's battle with alcohol Brandon would learn that Jeremy too envied the life that his fictional character lived And so when the TV show ended Jeremy almost did too At the time of his wish only God could have predicted how Brandon's life and those of the stars of his favorite TV show would intertwine in the decades to follow no one could have foreseen that a wish made by a young boy would give both he and Jeremy hope for their future and help them find purpose in the lives they were created for by a loving God lives that would live on despite troubles and despair Brandon was meant to use the experiences of his childhood to help others It is the only way to explain how his life has come full circle time and time again
