Prayers That Break Curses John Eckhardt, 2009-12-16 Is your life characterized by continual setbacks and misfortune Does it appear as though no matter what you do you cannot seem to obtain the blessings of the Lord You could be living under a curse Unfortunately there are still many believers living under curses even though they have been legally redeemed Just as a believer may have to fight a good fight of faith for healing he or she may also have to fight a good fight of faith against curses Satan may not have a legal right to enforce a curse against you but he is an outlaw and will attempt to do so anyway Therefore curses oftentimes have to be broken and you must learn how to stand in faith against those curses keeping them from operating in your life The promises God gives us in the Bible are not automatic They must be believed and often fought for You don't have to fight God for His promises He is not keeping them back from you But you must contend with the Adversary who is trying to prevent you from receiving and walking in God's promises Written in the style of Prayers That Rout Demons this second book in the series contains information about curses and sentence declaratory prayers to break the power of curses from your life Breaking the Curses of Slavery: Prayers for African-Americans Pamela Burgess

Main, 2013-12-03 One hundred prayers for African Americans to use to help spiritually break off generational issues caused by slavery in the United States By turning their wills over to God and choosing to forgive past atrocities in their family's personal history God willing the reader will begin to find release from specific trappings that have plagued their family for years *How to Break Ungodly Soul Ties*, **A Manual for Deliverance and Self-Deliverance** Pastor Miguel

Bustillos, 2025-01-28 A manual for Deliverance and Self-Deliverance is a practical step by step manual for anyone seeking freedom through deliverance or looking to help others experience it Whether you're interested in deliverance ministry or want to practice self-deliverance this guide provides clear instructions rooted in Scripture Learn how to break generational curses renounce sin close doors to the enemy and walk in lasting freedom With prayers declarations and biblical insights this book equips you to overcome spiritual strongholds and live in the victory of Jesus Christ Perfect for beginners and seasoned ministers alike **The Conqueror's Tread** Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual

warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by

treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror's Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more

Breaking Curses M. A. Fréchette, An eye for an eye a curse for a curse or the poison in her blood will consume her The horrific night Namika Strang's people lost the demon war she got in one last punch straight to the demon leader's face Adam Ashton's retaliation should have been swift and deadly Instead he locked her in a gilded prison below the CrowBar nightclub stripped of the dark magic her people once used to exterminate demonkind Except Namika holds onto a secret She possesses the natural born magic to escape if she can elude the cold predatorial gaze that sends shivers across her skin even

as it sets fire to her blood And if she can avoid being lulled by Adam s small acts of kindness the touches and kisses that leave her head spinning with confusion When her one chance to escape goes terribly wrong she is forced to accept Adam s brand to stave off a blood curse that will turn her into a ghoul Now connected in ways she can t begin to understand Namika and Adam begin the desperate search for a way to break the curse But their hunt leads to secrets hidden deep in her shadowy family ties Secrets that could send her to hell as surely as the ghoul blood searing her veins
