Translated for PC Users teaches lifelong hardwired PC users how to accomplish on their new Macs all the things they
instinctively know how to do on their PCs This book is different from the many Migrating to a Mac books on the market
taking a similar to how a French phrase book gives English speaking travelers what they don't know French Phrases in the
context of what they do know English phrases rather than attempt to teach them an entirely new language Rather than teach
PC users how to acclimate themselves to a foreign piece of hardware with an entirely different operating system Macs
Translated for PC Users simply looks at all the tasks and shortcuts that PC users are familiar with and translates them so that
readers know what to do on their Macs
