*Convertible Top Restoration and Installation* Fred Mattson, 2019-05-13 There's an old saying we've all heard before that goes "When the top goes down the price goes up." Of all the projects involved with the restoration of your collector car few seem as challenging or confusing as addressing the convertible top. Due to aging and neglect the hardware and fabric covering have led to some not so nice conditions making it difficult to find information addressing your specific model. Fred Mattson, author of *Automotive Upholstery and Interior Restoration*, delivers this compilation on restoring and repairing convertible tops. Step by step photo sequencing walks you through convertible top applications for Corvettes, Ford retractable tops, scissors tops, manual tops, and power tops. Fred also addresses the weather seals, well liners, hydraulic electrical systems, adjustments, materials, and pads. No other book ever produced on convertible tops goes into this much depth of coverage. With this book you will be guided through the convertible top repair/restoration process in an easy to read how-to format so there should be no reason to fear taking your drop top out with the threat of rain. *Convertible Top Restoration and Installation* will be the one tool that will show you how important a well-sorted top restoration is not only for practical reasons such as staying dry but for cosmetic reasons as well.

**Mustang Restoration Handbook** Don Taylor, 1987-01-01 Ground up or section by section this guide will show you how to restore your 1965-70 Mustang to like new condition. Packed with dozens of identification charts and more than 450 photos and drawings, the guide covers year by year equipment changes and disassembly and assembly. A Mustang suppliers list is a bonus.

*Camaro Restoration Handbook* Ron Sessions, 1990-05-14 Camaro fever is sweeping the country. And with the help of the *Camaro Restoration Handbook* you can restore your 1967 through 1981 Camaro either piece by piece or from the ground up. Authors Tom Currao and Ron Sessions detail the complete restoration process necessary to turn any street-beaten Camaro into a true show winner. With over 500 photos and drawings it's the most complete Camaro restoration resource available. Plus you'll find chapters on year by year identification and model changes, disassembly, electrical wiring, interior and door reconditioning, convertible and vinyl top repair. Also included are details on rebuilding suspensions, steering, brakes, and sheet metal repair. Procedures for body prep and paint, gauges, driveline reconditioning, subframe repair, and what to do after the restoration are fully illustrated. A complete Interior/Exterior color chart is an added bonus. The *Camaro Restoration Handbook* is the answer to your dream of a restored vintage Camaro. What are you waiting for?

*Automotive Upholstery & Interior Restoration* Fred Mattson, 2017-09-15 After disassembling and gutting your car it is easy to feel that you're in way over your head when it comes to the upholstery. This is why so many do it yourself, restorers outsource the work at considerable expense to an experienced upholstery shop. Taking the time to acquire the skills for upholstery restoration may feel like a daunting task but what if an experienced upholsterer presented every skill you needed to restore upholstery yourself? Starting with a list of necessary tools, author Fred Mattson guides you through all the required tasks including seat restoration, door panel removal, patterning, assembly, and installation, headliner

removal and installation carpet cutting and even convertible top restoration The easy to follow step by step presentation allows for a thorough understanding of all the processes Every photo in this book provides a hands on approach that shows you how to repair and restore a car s interior to concours show quality specifications Other restoration books may show you beautifully restored interiors but they don t show you how to produce them This book helps you develop the skills needed with instruction from a professional upholsterer saving you thousands of dollars over outsourcing the restoration If you are interested in saving money doing a complete restoration yourself or simply want to know how it s done this book is a handy addition to your automotive library
