Vanya Erickson, 2025-07-30 From the outside Vanya's childhood looked idyllic. WINNER 2019 Next Generation Indie Books. Memoir Overcoming Adversity. She rode horses with her father in the solitude of the Sierra Nevada Mountains and attended flamboyant operas with her mother in the city. But life for Vanya and her family turned dark when ghosts from her father's service on a Pacific destroyer in World War II tore her family apart. Set in postwar California, this is the story of a girl who tried to make sense of her parents' unpredictable actions from being left to lie in her own blood-soaked diaper while her Christian Scientist mother prayed to refusing to get medical help while watching her father writhe on his bed in the detox ward, his hands and feet tethered with leather straps by immersing herself in the beauty and solitude of the wilderness around her. It was only decades later when memories began to haunt her that Vanya was able to look back with unflinching honesty and tender compassion for her family and herself.
