

A close-up photograph of a person's hand pointing their index finger at a long, thin, and deep scratch on the black-painted surface of a car. The scratch is located just to the left of a large, red, multi-lensed taillight. The car's bodywork is highly reflective, showing a clear reflection of the person's hand and the surrounding environment, which includes a building with horizontal siding and a clear blue sky. The scratch itself is a fine, light-colored line that has penetrated the black paint.
