

There is a field in the top left corner that displays the next manoeuvre. Both the type of the event (turn, roundabout, exiting motorway, etc.) and its distance from the current position are displayed.

A smaller icon shows the type of the second next manoeuvre if it is near the first one. Otherwise, only the next manoeuvre is displayed.

Most of these icons are very intuitive. The following table lists some of the frequently shown route events. The same symbols are used in both fields:

| Icon | Description                                           |
|------|-------------------------------------------------------|
|      | Turn left.                                            |
|      | Turn right.                                           |
|      | Turn back.                                            |
|      | Bear right.                                           |
|      | Turn sharp left.                                      |
|      | Keep left.                                            |
|      | Continue straight in the intersection.                |
|      | Go left on the roundabout, 3rd exit (next manoeuvre). |
