Heuvel, 2020-10-19 Many educators want to use historic characters in the classroom but lack strategies and resources The types of questions they ask are answered in *Living History in the Classroom* Performance and Pedagogy by outstanding content experts with practical insights into performance public history and education **Only in New Orleans** Luis Mirón, Brian R. Beabout, Joseph L. Boselovic, 2015-07-22 With 2015 marking the 10th commemoration of Hurricane Katrina education reform in New Orleans continues to garner substantial local national and international attention Advocates and critics alike have continued to cite test scores new school providers and different theories of governance in making multiple arguments for and against how contemporary education policy is shaping public education and its role in the rebuilding of the city Rather than trying to provide a single unified account of education reform in New Orleans the chapters in this volume provide multiple ways of approaching some of the most significant questions around school choice and educational equity that have arisen in the years since Katrina This collection of research articles essays and journalistic accounts of education reform in New Orleans collectively argues that the extreme makeover of the city's public schools toward a new market based model was shaped by many local historically specific conditions In consequence while the city's schools have been both heralded as a model for other cities and derided as a lesson in the limits of market based reform the experience of education reform that has taken place in the city and its impacts on the lives of students families and educators could have happened only in New Orleans **The Social Studies**, 1925 *Social Studies for Secondary Schools* Alan J. Singer, 2014-10-08 Now in its 4th edition this popular text for secondary social studies methods courses integrates discussions of educational goals and the nature of history and social studies with ideas for organizing social studies curricula units lessons projects and activities A major theme throughout is that what teachers choose to teach

and the way they teach reflect their broader understanding of society history and the purpose of social studies education Advocating an inquiry and activity based view of social studies teaching that respects the points of view of students and teachers and based in practice and experience it offers systematic support and open honest advice for new teachers Each chapter addresses a broad question about social studies education sub chapters begin with narrower questions that direct attention to specific educational issues Lesson ideas and materials in the book and online are especially designed to help new teachers to address common core learning standards to work in inclusive settings and to promote literacy and the use of technology in social studies classrooms Chapters include highlighted Learning Activities Teaching Activities and Classroom Activities designed to provoke discussion and illustrate different approaches to teaching social studies and conclude with recommendations for further reading and links to on line essays about related social studies topics Activities are followed by four categories Think it over Add your voice to the discussion Try it yourself and It s your classroom All of these are supported with online teaching material Designed for undergraduate and graduate pre service social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice New in the Fourth Edition Provides a number of new lesson ideas paired with online lesson plans and activity sheets in every chapter Takes a new focus on data driven standards based instruction especially in relation to the common core curriculum Addresses the interactive nature of learning in updated technology sections Reflects current trends in history education Includes more of what the author has learned from working teachers Offers a wealth of additional on line material linked to the text
