

The Iliad

INTRODUCTION

BRIEF BIOGRAPHY OF HOMER

Virtually nothing is known of Homer's life. Many people believe no such person ever existed, and that "Homer" is a pseudonym writing the work out of many authors from various time periods. Others believe that he was a blind court singer in the 8th-century BC.

HISTORICAL CONTEXT

The events described in the *Iliad* refer to the Trojan War, a semi-mythical conflict that was supposedly waged sometime between 1300 and 1100 BC. For Homer, the events of the war would have been passed down through the ancient Greek oral tradition, in which the *Iliad* owners agreed that, whether or not the *Iliad* refers to real events is still an open question, subject to heated debate.

RELATED LITERARY WORKS

The *Odyssey*, another epic poem attributed to Homer, also follows the cycle of myths about the Trojan War. The *Odyssey* takes place after the events of the *Iliad*, focusing on the hero Odysseus' troubled homecoming from Troy. The two epic poems together are the oldest examples of epic poems from Western literature, and are generally considered to be the first literary works of Greek antiquity.

EXTRA CREDIT

The Epic Cycle: Along with the *Iliad* and the *Odyssey*, there

were several other ancient Greek poems that concentrated on the events of the Trojan War, filling out the events not mentioned in the Homeric epics. Titles included the *Cypria*, the *Antioch*, and the *Litae*. It is often suggested that these works were written after the two Homeric epics, and most of them are much shorter than Homer's masterpieces. Altogether they formed a narrative of the war, known as the Epic Cycle. However, all of the texts of the Epic Cycle have been lost, with just fragments remaining.

The Cult of Homer: Homer's epics were considered the foundational works of ancient Greek literature and culture. Adoration for Homer was so great that in some places he was nearly revered as a god. Shrines dedicated to Homer have been discovered, and it is thought that he was the subject of what is now known as an ancient Greek "hero cult", a religious practice dedicated to individuals who were considered to be greater than men but not quite gods.

PLOT SUMMARY

The *Iliad* recounts a brief but crucial period of the Trojan War, a conflict between the city of Troy and its allies against a confederation of Greek cities, collectively known as the Achaeans. The conflict began when Paris, the son of Troy's king Priam, seized a willing Helen, the most beautiful woman in the world, from the Achaean king Menelaus. The Achaeans raised a massive army and sailed to Troy, bent on winning Helen back by force.

As the story begins, the war is in its ninth year. The Achaeans have recently sacked a nearby city, taking several beautiful women captive along with a lot of treasure. Chryseis, a priest's daughter from the nearby city, approaches the Achaean camp and asks Agamemnon, the leader of the Achaeans, to release his daughter—who is one of the captives—from slavery. Agamemnon refuses. Chryseis goes to Apollo to punish the Achaeans, and Apollo rains down plague on the Achaean army.

The plague ravages the Achaean army. Desperate for an answer, the Achaeans ask the prophet Calchas about the plague's cause. Calchas instructs Agamemnon to give back Chryseis' daughter. Agamemnon agrees reluctantly, but demands that he be given Briseis, the captive girl given to the warrior Achilles, as compensation. Achilles is enraged by Agamemnon's demand and refuses to fight for Agamemnon any longer.

Achilles, the greatest of the Achaean fighters, denies revenge on Agamemnon. He calls to his mother, Thetis, an immortal sea nymph, and asks her to beseech Zeus to turn the tide of the war
