Is This All There Is? Linda

Peltz-Johnson, 2008-11 This book came about because I knew people who were just like me They really did not know the scriptures or how to apply them to their life today I started going to a church where they emphasized the scriptures and used them in sermons for today's time I asked my Heavenly Father Is this all there is meaning going to church and just praying Hearing the scriptures preached for our today times made a difference for me The pastor taught some oriental customs of that time I took a lot of notes during church Suddenly I started understanding and learning and it was exciting About 50 years ago I asked God why He didn't communicate with us like he did with the saints back in the Old Testament I asked Him

why he didn't do miracles anymore He answered me a few years later He does still communicate with us and He does still do miracles Read my testimonies in Part II of this book God is so awesome
